Dear Students and Parents,

Our much anticipated trip to Center Lake is three weeks away! Everyone is looking forward to a fun-filled day (with great weather hopefully in the forecast). We appreciate the commitment and teamwork of students and staff that has made this exciting day a reality.

There will be a charge of \$10 for each of our students to attend Center Lake. **The \$10 must be paid before activities will be scheduled (please contact Mr. Kellogg if you need assistance with this fee). Parents must have their child(ren)'s registration process, including fees, completed for the 2017-2018 school year or have had communication with the office or myself if your child(ren) are not returning to St. Ann School this fall in order to be scheduled for Center Lake.**

This is a very exciting field trip we have planned for the end of the year. However, it is a privilege for the students to be able to participate. In order for your child to participate in this event, your child needs to make sure he or she is getting his or her work done and turned in, has a good attitude, and also behaves while in school. If your child does not make responsible choices, he or she will not be able to participate in this event. Finally, any child who has missing books from the library will not be able to attend.

Below is a list of activities being offered for our students. In preparation for **Thursday, June 8**, please help your son/daughter choose four activities in which they would like to participate while at Center Lake. They will be doing two activities in the morning and two in the afternoon. Every effort will be made to allow the students to participate in their four choices if possible. **However, we will be scheduling on a first come, first serve basis.** Please indicate the choices in order of preference. A list of any equipment needed for these activities will be included in a follow-up letter later. Forms and money are due by Friday, May 26, 2017.
