PARISH MISSION STATEMENT

“Conscious of our dependence upon the Holy Spirit and with courage and perseverance, we, the parishes of St. Ann, seek to foster our growth in the likeness of Christ, to gather new followers of Christ into our midst and to implement Christ's way in society. We seek to accomplish these tasks through Spirit-filled liturgy, sound instruction and loving care and concern for all.”

ST. ANN SCHOOL MISSION STATEMENT

“We at St. Ann School are guided by the Holy Spirit to provide an exceptional Catholic education for students spiritually, academically, physically, and socially.”

ST. ANN SCHOOL PHILOSOPHY

At St. Ann School, we are committed to instill in each child both a love of the Catholic faith and a love of learning. Daily religious instruction, frequent prayer and participation in the planning for Eucharistic liturgies all contribute to the faith-filled atmosphere. Because our faith must be shared to be authentic, students have frequent opportunities to put into practice the spiritual and corporal works of mercy. With sensitivity to the uniqueness of the individual, we encourage each child to fulfill his or her potential in all areas of learning. The student is able to see his or her life as a tapestry in which the strands of learning, faith, and service are not separated, but integrated to produce a unique and beautiful whole.

Acceptance of a position at St. Ann School requires a commitment to the education of the whole child. Dedication to Jesus Christ, commitment to professional growth, and a strong sense of community are the marks of our staff. We recognize the developmental continuum of the educational process and strive to build on already acquired skills and knowledge while preparing for future learning. Students can see in our methods of teaching and our handling of discipline both the gentleness and the strength of Jesus.

We believe parents are the primary educators of their children, so the school is committed to working with parents to encourage the development of each child. It is our hope that children view the school as an extension of the faith life they experience at home, where their parents are the first models of Gospel living. We support and assist parents by offering educational information and presentations and by fostering regular and open communication between home and school. Parents assist as volunteers, making use of their abilities to contribute to the educational process.

Parents wishing to send their children to St. Ann School are to be committed to living out the Catholic Christian life by:

- Striving to model the values of Jesus
- Daily prayer together in their home
- Regular attendance at Sunday Worship
- Faithfully supporting their church and works of charity
- Commitment to the Parent Involvement Program

ST. ANN SCHOOL VISION

St. Ann School is committed to the development of the whole child in Catholic Faith, academic excellence, strong athletics, and Christian service.

ADVERTISING OUTSIDE ACTIVITIES

The announcement, distribution, or posting of non-school sponsored materials must have the prior approval of the administrator, principal or his/her designee. A minimum of 24 hours is required to ensure that the principal has sufficient time to review the announcement or posting. Materials determined to meet any description below will be denied:

- causing a material and substantial interference to the educational environment;
- obscene or containing indecent or vulgar language;
- defamatory or libelous;
- invading the privacy of another person;
- offensive to a person's race, religion, ethnicity, or gender;
- encouraging illegal activity or violation of school rules.

ATHLETICS

Philosophy

The purpose of the athletic program is to complement the home, church, and school in the development of the "whole person." Activities of the program are there for the benefit of the students, suited to their age and physical growth.

While winning or striving to win is a legitimate goal of any athletic contest, it should always be done in a way that does not compromise the following primary philosophies of the program which are:

- to foster Christian sportsmanship among teammates and other teams,
- to recognize the need of physical fitness for the wholesome growth of the individual,
- to develop a healthy interest in sports through participation,
- that any student who meets our program's criteria will be allowed to play.

Policies

The St. Ann School Athletic Program is under the jurisdiction of the School Advisory Committee, with policy being implemented and enforced by the Athletic Director. The policies are established for the benefit of all the students who participate in athletics at St. Ann School. All students who have the desire to participate should be encouraged to take part in our athletic program.

St. Ann School student athletes must comply with all rules and guidelines contained in the St. Ann School Parent/Student Handbook and the policies of the Diocese of Gaylord.

General Information

The following items are required to be completed and on file with the school office before an athlete will be allowed to participate in the program:

1. Your family doctor or any medical center must complete a yearly physical or sports examination.
2. A consent form must be completed by the parent/guardian giving permission for the student to participate in each sport.
3. Athletes must sign an agreement form stating their desire to play a particular sport and their willingness to abide by the directives of their coach and the Code of Conduct of St. Ann School.
4. Proof of insurance for medical coverage is required before participation is allowed. The name of the insurance company and the policy number are to be included on the consent form. Student accident insurance is available through the school for families without other insurance coverage.

5. The school will do a confidential background check and fingerprinting of all coaches through the State of Michigan. The information will be sent to the Diocese of Gaylord to determine coaching eligibility.

Fundamentals of Sportsmanship

- Show respect for the opponent at all times. The opponent should be treated as a guest, greeted cordially on arriving, given the best accommodations, and accorded the tolerance, honesty, and generosity that all human beings deserve. Good sportsmanship is the Golden Rule in action.
- Show respect for officials. The officials should be recognized as impartial arbitrators who are trained to do their job and who can be expected to do it to the best of their ability. Good sportsmanship implies the willingness to accept and abide by the decisions of the officials.
- Know, understand, and appreciate the rules of the contest. A familiarity with the current rules of the game and the recognition of their necessity for a fair contest is essential. Good sportsmanship suggests the importance of conforming to the spirit as well as the letter of the rules.
- Maintain self-control at all times. A prerequisite of good sportsmanship requires one to understand his/her own bias or prejudice and the ability to prevent the desire to win from overcoming rational behavior. A proper perspective must be maintained if the potential educational values of athletic competition are to be realized. Good sportsmanship is concerned with the behavior of all involved in the game.
- Recognize and appreciate skill in performance regardless of affiliation. Applause for an opponent's good performance is a demonstration of generosity and good will that should not be looked upon as "treason." The ability to recognize quality in performance and the willingness to acknowledge it, without regard to team membership, is one of the most highly commendable gestures of good sportsmanship.

Players

The responsibility of the players for sportsmanship is second in importance only to the coach. Because players are admired and respected, they exert a great deal of influence over the actions and behavior of the spectators. A player's actions must display a Christian attitude at all times.

Responsibilities and obligations:

- Treat opponents with respect that is due them as fellow human beings.
- Shake hands with opponents and wish them good luck before the contest.
- Exercise self-control at all times, accepting decisions and abiding by them.
- Respect the official's judgment and interpretations of the rules. Never argue or make gestures indicating a dislike for a decision.
- Only the captain should communicate with the officials regarding the clarification of a ruling.
- Accept both victory and defeat with pride and compassion, never being boastful or bitter.
- Congratulate the opponents in a sincere manner following either victory or defeat.
- Cooperate with the coach and fellow players in trying to promote good sportsmanship.
- Accept seriously the responsibility and privileges of representing your school.
- Students are expected to be present from the first day of practice to the last athletic contest.
- Athletes are to respect school property and leave the locker area and gym clean and neat.

- All athletes, both home and away teams, must remain in the building at all times unless accompanied by a parent.

Responsibilities of Parents

Participation in sports can be a rewarding experience when parents join with the school in providing the best program for the children. It is important for parents to help in supporting their child's athletic experience in various ways by:

- Attending games
- Giving encouragement and moral support to coaches and players
- Parents and athletes are expected to remain after the game until the gym and changing rooms have been cleaned.
- Carefully supervising your other children during the games
- Parents agree that arrangements be made so that siblings of players are not left at school during practices.
- Picking players up promptly after practices and games.
- Handling problems with coaches or officials in a Christian manner.
- Providing the required sports physical for your child.
- Taking care of uniforms, washing them regularly, and returning them clean (*Uniforms are only to be worn during games – not during practices*).

Spectators

The enthusiasm for sports among many spectators indicates that they play a vital role in the development of good sportsmanship. Their habits and reactions determine the quality of sportsmanship that reflects upon the reputation of their school.

Responsibilities and obligations:

- Know and demonstrate the fundamentals of sportsmanship.
- Discourage fellow spectators whose behavior is inappropriate.
- Respect the property of the school and the authority of school officials.
- Show respect for an injured player when he/she is removed from a contest.
- Do not applaud errors by opponents or penalties inflicted upon them.
- Do not heckle, jeer or distract members of the opposing team.
- Never criticize the players, coaches, officials, or scorekeepers for the loss of a game.
- Respect the judgment and strategy of the coach. Refrain from being a second guesser.
- Avoid profane language and obnoxious behavior that are contrary to good sportsmanship.

Number of Games

- Each sport will be permitted to have up to 20 games (including tournaments) per season.
- During preseason, teams will be allowed to practice up to 8 hours per week, 4 days per week.
- During the season, teams will be allowed to practice 6 hours per week, 3 times a week that includes games.
- Athletic Director, coach and principal need to set up schedule.

Player Fee

All participants are required to pay a \$25 player fee for each sport. Student is not allowed to participate in any games until the player fee has been paid. No student will be denied the opportunity to participate based on financial limitations.

Church Attendance and Games

At St. Ann School, we consistently stress the importance of attending Mass/weekend worship service regularly. In order to participate in games, the player should attend his/her regular weekend worship service.

Eligibility for Students in Sports

- The teacher will send notification of ineligibility to the Athletic Director and Principal. Parent/guardian of those students who are ineligible for that week will be notified by the Principal or Athletic Director.
- An ineligible athlete may attend the games and sit with the team but not participate in games for one week (unless they complete their missing assignments and/or raise their failing grade(s)).
- Student athlete that is ineligible to participate in games for the week is still expected to attend practices that week.
- Athletes must be at school from the end of their lunch period to the end of the school day in order to participate in practice or a game held that same day.

Codes of Conduct

- Grooming: Athletes shall be clean, neat, and well-groomed at all times. Since athletes are representatives of our school, they should be expected to look and act in a way that will bring credit to themselves and to St. Ann School.
- It is expected that all athletes will follow the tradition of “dressing up” on game day. This tradition identifies them as athletic representatives of St. Ann School.
- All athletes are expected to follow the Code of Conduct in the St. Ann School Parent/Student Handbook.

Benching of an Athlete

The coach may bench an athlete for one game under the circumstances listed below. If a student is benched for any of the reasons listed below, he or she is still expected to attend the game.

- Unsportsmanlike conduct
- Unexcused absence
- Missing a game or practice without a legitimate excuse

Dropping Out of a Sport

Quitting a team in mid-season is a serious matter. It is only fair and reasonable to expect that the student and parent/guardian consult with the coach prior to quitting.

Inclement Weather

The Principal, in consultation with the Athletic Director, will determine whether or not a game will be held if there is inclement weather on the day of a game. In the event school is canceled, there will be no game.

ASBESTOS NOTIFICATION

Even though our school does not contain asbestos materials, in compliance with the U.S. Environmental Protection Agency (EPA) our maintenance staff, in accordance with Michigan Catholic Conference requirements, attends an Asbestos Training on a regular basis.

ATTENDANCE

Students are expected to attend school regularly and on time.

The first bell rings at 7:35AM. A student is tardy and must report to the office if they arrive after 7:40AM. **School starts promptly at 7:40AM, after the second bell has rung.**

Non-bus students should not arrive before 7:15AM.

Absences

As a safety measure and as a courtesy to the school staff, parents/guardians are requested to call the school at 775-1301 on the first day of a particular illness. All absences must be reported to the school office by the parent or guardian. Please call by 9:00AM.

School secretaries begin calling parents of any students marked absent by 9:00AM. If a parent or guardian cannot be reached within a reasonable amount of time, the student will be marked unexcused.

Students will be marked half-day absent for the morning if they arrive after 9:15AM. Students will be marked half-day absent if they leave before.

Students who come to school late will not be allowed to use the After School Care Program on that day unless they have notified the School Office 24-hours in advance.

Excused Absences

Absences will be excused based on verified contact with the parent or guardian, as well as by a written explanation for the following reasons:

1. Personal illness of the student;
2. Medical and dental examination and/or treatment of the student when such appointments cannot be scheduled other than during the school hours. A tardy due to medical/dental reasons, with a doctor's note, will not count against a student's cumulative attendance.
3. Student participation in school sponsored activities taking place during school hours;
4. Death in the immediate family;
5. Reasons of extenuating circumstances to be judged by the principal.

In the event that a student who will be absent for an extended period, a note will be required one week before the child's last day of school. Please indicate if you are requesting schoolwork for your child in this note. Your child's teacher will give schoolwork at his/her discretion. If work is given, it is due upon return to school or it will be considered late. **If a parent does not request homework before the student's absence is taken, the student will have the same number of school days they are absent to complete the missing work. (Example: 3 days absent = 3 school days to make up work for full credit).**

Unexcused Absences

Absences other than those mentioned above, or any absence without a written explanation from parents/guardians, will be considered unexcused. In the case of an unexcused absence, the teacher is not required to instruct again, give credit for work missed, or provide make-up tests. If a student has been absent for twenty five percent

(25%) or more of the grading period, the teacher may choose to withhold grades for that period.

Appointments

Should you find it absolutely necessary to schedule appointments during class hours, please notify the school with a note. Appointments will be judged excused or unexcused according to the criteria above. ***Parents or guardians coming to school for early dismissal of a student are to go to the office to sign the student out of the building.*** Please do not go to the classroom. Students will be called to the office. Likewise, when dropping a student off after an appointment, parents/guardians should report to the office and sign the student into school. **Please try to refrain from scheduling appointments during MAP testing.**

Tardy Students

Tardiness causes an interruption not only for your child, but also for the entire class. Please be sure your child arrives at school on time.

If your child arrives to school after 9:15AM a parent must sign them in at the office.

Excessive tardiness, 5 (within one semester) and absences, 5 (within one semester) may be referred to the Wexford-Missaukee Intermediate School District (WMISD).

Each tardy beyond 5 (within one semester) will result in a consequence to be determined by the Principal.

Attendance and Homework

Parent requests for homework will be honored if their child is ill for 2 or more days.

An attendance intervention will be held for any student who accumulates 10 days of absence during the semester. Letters will be sent to parents when a student has missed a significant number of days. This letter will be accompanied by a current attendance history report. Parents are encouraged to contact the principal to discuss their student's attendance history.

ACCIDENT / INJURY PLAN

In the event of an accident or emergency, parents/guardians will be contacted immediately. If we are unable to reach the parent/guardian, we will contact those listed on the Child Information Form. If no one can be reached, we will seek emergency medical care as specified by the parents/guardians on the student's Emergency Contact List. The parent/guardian will be responsible for any incurred expenses. For your child's sake, please keep the school office/program manager updated on any change in emergency phone numbers.

BAND / GENERAL MUSIC

Students in 5th-6th grade student have the option of signing up for Band or General Music classes. Both classes are offered to the 5th-6th grade students in a shared-time program with Manton Consolidated Schools.

Marshall Music tests all 4th grade students in the spring and contacts parents with the results. If the student needs an instrument, Marshall Music will assist them in choosing the best instrument for their child.

Once Band has begun, **students may not drop out of Band until after the Christmas concert** (this is the only time of the year students may withdraw). Students must bring a note from their parents to give to the Band Instructor and one for the Principal before Christmas break indicating they wish to drop Band. Upon receipt of this note, the student will be placed in the General Music class at St. Ann School.

BEFORE AND AFTER SCHOOL CARE

St. Ann School offers enrichment childcare to preschool through 6th grade students. The program operates as follows:

Preschool:	AM: 7:15-8:55AM	\$3 per day
Pre -7:	PM: 2:25-5:30PM	\$6/day
	Early pick-up by 4:00PM.....	\$3

You are responsible for picking your child(ren) up at 5:30PM, otherwise a late fee of \$5 for every 15 minutes late will be assessed.

A 24-hour advance notice must be given if your child is staying in the after school program. That means we need to know no later than 2:30PM the day before (by Friday if they are staying on Monday). This policy is necessary because the staffing needs to be compliant with the State of Michigan regulations. A 24-hour advance notice is also required if you plan on cancelling your child/ren’s stay in the after school care program to avoid being charged for that time.

Students who are not picked up by 2:45PM will be sent to the ASC and the parents will be charged 1½ times the childcare rate for the first late pick up, double the rate the second late pick up and the family will lose their privilege of the use of the After School Care program after the third late pick up.

Families cannot be more than two (2) weeks past due on their After School Care in order to use the program. You will be billed on a weekly basis. Applications are available in the office.

St. Ann School will provide an after-school snack.

BILLING

The school office will send out statements on a monthly basis in regards to any outstanding balances, i.e. hot lunch, registration, snack, and technology fees, etc. After School Care will be billed on a weekly basis. All statements will be sent via email if one is provided to the office. All fees are non-refundable including tuition for weather-related school cancellations.

All outstanding balances must be paid in full by June 30th in order to complete enrollment of your student(s) for the next school year. All families with an outstanding balance will not be allowed to enroll their student(s) for the next school year, unless a payment plan has been agreed upon with the principal.

If there is an outstanding balance on your family account you will not be able to sign up for community programs through our school, for example, skiing.

If you are entitled to payment (lunch duty, replacement worker) but owe the school money, your payment will be reduced by the amount you owe.

Payments must be made monthly toward outstanding balances (in addition to staying current with weekly balances such as childcare and lunch) in order to be eligible for the Childcare program.

Student report cards and records (including school work) will be released quarterly **when all balances are current**, unless an alternate payment plan has been agreed upon with the principal. When outstanding balances have been paid report cards and school work left after the end of the school year can be picked up in the church office. The deadline for picking up report cards and student papers is June 18, 2021.

Students who damage school property and/or materials (such as textbooks, technology equipment, planners, etc.) will be responsible for the replacement cost of the damaged property and/or materials.

BUS RULES

Cadillac Area Public Schools provide busing for our JrK-6th grade students. According to their handbook, they ask that:

- Students observe the same courteous conduct on the bus as they would in class
- Students talk in normal tones
- Students do not eat or drink on the bus
- Students stay in their seats
- Students cooperate with the bus driver
- Students help to keep the bus clean and free from vandalism

If you have a question about busing, call the district transportation director at 876-5050. Inappropriate behavior is usually ticketed. St. Ann School cooperates with the public school disciplinary process.

CODES OF CONDUCT

St. Ann School prohibits acts of harassment and bullying. These include but are not limited to actions such as verbal, written, graphic or electronically transmitted taunts, name-calling and put-downs, ethnic or gender based put-downs, or any such conduct that is disruptive of the educational process. These acts are subject to discipline at the principal's discretion when engaged at school.

It is the policy of the Diocese of Gaylord and St. Ann School to make every effort to provide an educational environment that is free from all types of harassment. This policy applies to the actions of all faculty, staff, and students at St. Ann School, as well as others who may be in a working relationship with the school. Individuals involved in any allegations will be given due process.

Student

St. Ann School is committed to providing a safe and orderly learning experience. School authorities and faculty have an obligation to expect an attitude of respect and cooperation from their students. Discipline is fundamental in education and a respectful atmosphere is essential for academic, social, and spiritual growth to take place. In order to establish and promote an atmosphere of Christ-like living in the school community, the following standards of conduct are expected:

- Respect for self, students, teachers, staff, and guests.
- Respect for personal and communal property.
- Respect for rules and regulations.

Self-discipline is a responsibility students need to learn. Helping students to learn self-discipline is a shared responsibility of the school and parent/guardians. Rules and regulations are devised by the administration to help the school community function smoothly. Students are expected to follow the rules and regulations. By enrolling at St. Ann School, parents and students have accepted the conditions expressed.

The Disciplinary Code

- Students must be allowed to learn in a safe environment and teachers must be allowed to teach if we are to achieve our goals. Any disruption to this fundamental premise affects everyone. In an effort to maintain a quality school setting it is necessary to teach our students to be responsible. We accomplish this through a discipline program that creates mutual respect.
- First and foremost, appropriate discipline is at the teacher's discretion. However, if a child's behavior interferes with teaching or learning, the child will be asked to behave properly and if the behavior does not improve the student will be sent to the EL to write a behavior modification plan and/or to the principal.
- Your support in the area of discipline is critical. If a student continues to interfere with the learning environment, you, the parent, will be contacted.

Enrichment Lab

In keeping with the Mission Statement of our school, we are privileged to have an Enrichment Lab. Staff members in the Enrichment Lab will guide students academically, as well as, behaviorally, in making good choices. The goal of the lab is to help enrich the student's education spiritually, academically, behaviorally, and socially.

General Conduct and Expectations

The following activities are not permissible anywhere on school or parish property:

- Cursing or obscenity (words, pictures, or gestures)
- Fighting
- Killing statements, put-downs, and threatening statements
- Throwing of any objects not meant to be thrown, taking hats, or belongings of others, etc.
- Disregard of safety rules
- Disrespect of others (children and adults)
- Aggressive behavior/putting your hands or feet on another student or "play fighting"
- Gum is not permitted anywhere on parish or school grounds

Students may be asked to write apology letter/s, review more appropriate choices, etc.

Major Disruptive Behaviors

A student will be subject to immediate disciplinary action up to and including suspension and expulsion for any of the following reasons:

1. **Disruption of school:** A student shall not by use of violence, force, coercion, threat, or false alarm cause disruption or obstruction of normal school operations.
2. **Damage of school property:** A student shall not cause or attempt damage to any school property. This will include books, equipment, furniture, vehicles, and buildings. Students/parents are responsible for restitution of all damages.
3. **Assault:** A student shall not act or behave in such a way as could cause physical injury to other students, any school employee or other persons on school property or during school sponsored activities.

Suspension (In School)

The student is removed from daily classes but not from the building. He/she is expected to complete daily assigned work in silence by him/herself. Parents will be informed by the principal of all suspensions.

Suspension (Out of School)

The following is taken from Diocesan Policy 4110:

Each school, realizing its obligation to the students, must extend a reasonable effort to assist students to adjust to the social and academic requirements of the school environment. Decisions to suspend should follow only after other means of motivation have failed and/or circumstances of crime, scandal, immorality, disruption, or safety necessitate suspension.

In reaching such decisions, consideration must always be given to the welfare and Christian development of the individual student and the practical common good of the entire student body.

Parents shall be notified of the suspension and requested to attend a joint conference with their child, school Principal, and any appropriate faculty member(s). In no instance shall a student be asked to leave the school during regular school hours and proceed home without prior notification to and consent of the parent(s)/guardian. The decision to require a student to proceed home alone or await the arrival of a parent/guardian shall be made jointly by the parent/guardian and the Principal.

Immediately following the suspension, notification with details should be given to the Pastor/Pastoral Administrator, who frequently is in a position to be a facilitator and may be able to suggest pastoral remedies. The conference with the parent(s)/guardian and child shall take place within three (3) school days from the suspension, if possible. If the Principal and parent(s)/guardian and child are unable to meet within that time period for any reason, the conference shall be scheduled as quickly as possible. Within that same 3-day period, the Principal may continue investigation of the facts and circumstances leading to the suspension, and shall document the reasons for the suspension. Documentation of the suspension shall be placed in the student's file.

The Principal shall have discretion to extend the suspension beyond three (3) school days, with notification to the parent(s)/guardian.

Expulsion

The following is taken from Diocesan Policies 4114:

Expulsion is defined as the permanent dismissal of a student from the school. Like suspension, it is enacted as a last resort after all other means of motivation and correction have failed and/or circumstances of crime, scandal, morality, or disruption necessitate this extreme disciplinary action.

Two general situations may lead to expulsion:

1. When the moral or physical well-being of the student body or staff is endangered;
2. When there is prolonged and open disregard for school authority.

The school principal shall exercise the right of expulsion only after suspension and having had a conference with the student, parents/guardians, and pastor.

The principal has final discretion on all disciplinary matters. Because it is impossible to foresee all problems that arise, the faculty and administration are empowered to take disciplinary action for any behavior that violates the spirit and philosophy of St. Ann School.

COMMUNICATIONS

Communications with teachers or students during the school day are made through the school office so that classroom activities are not disturbed. The school office will deliver important messages as soon as possible. Phone calls for students are only allowed in emergency cases.

Please call school before 2:00PM if there is a change in transportation.

Classroom newsletters will be sent home. School newsletter, menus, and calendars are sent via email when an address is provided. Parish bulletin announcements, telephone calls, emails, and conferences will also be used to enhance communications between families and school.

St. Ann School uses a parent notification system called BrightArrow. Parents will be enrolled to receive text messages. They may contact the School Office to request an additional email, and/or voice message for school notifications, such as, weather delays, cancellations, schedule changes and important reminders.

CONFERENCES

Conferences are held twice a year. The dates and times for conferences are scheduled approximately two weeks prior to conferences.

Other forms of reporting progress to parents are:

- Periodically sending home a pack of completed schoolwork and tests for parents to view and return with parents' signatures.
- Relating classroom activities through teacher letters.
- Informing parents of a student's conduct and academic work by phone.
- Occasionally writing a note that requests a parental written response.
- Requests for extra conferences should be made with each teacher individually.
- Progress reports are sent home four times per year for grades JrK through 7.
- A letter will be sent home at the beginning of the school year with information regarding how MS parents can review their student's academic progress

Snow pants, boots, hats, and mittens are necessary attire for playing in the snow. Bus riders may carry their snow pants on the bus if they choose to do so.

If a child comes to school dressed inappropriately, the office staff will call his/her parents to bring them a change of clothes.

ELECTRONIC EQUIPMENT POSSESSION

The school supplies most electronic equipment necessary in school. Students are not allowed to bring radios, laser pointers, iPods, electronic games, portable TV's, pagers, and the like without prior permission. The property will be confiscated and disciplinary action will be taken. Violations* of this rule could result in suspension or expulsion.

- Electronic tablets, MP3 players, iPods, and similar devices may be used in the classroom at the teacher's discretion.
- Students and visitors must turn off all electronic devices when entering the building.
- Cell phone usage is restricted during school hours, and cell phones must be stored in the student's backpack or locker during school hours (not on person).
- Electronic games and music devices are allowed on field trips with teacher's prior approval. St. Ann School is not responsible for lost or damaged items.

Listen to the radio and television during inclement weather for information in case of possible school closing.

Fire drills (5) are conducted on a regular basis as weather permits. Each room in the school building has fire procedure exits posted. Students are directed to note the fire drill exit and observe silence and order during these fire drills.

Tornado drill (2) procedures are reviewed with the students during the fall and spring months. The students are taught to respond to the drills in a safe and appropriate manner.

Homeland Security (3) procedures will be reviewed and practiced.

FUNDRAISING

All school fundraising is budgeted as income for operational expenses. A set amount is budgeted each year which enables us to keep tuition costs down and helps with the purchasing of library books, computers, playground needs, and/or textbooks. All Preschool – 6th grade school parents are expected to support our fundraising efforts (sell raffle tickets, purchase Scrip, attend fundraising events, etc.)

GRADING SCALE

The grading scale for grades 5, 6, and 7 as directed by the diocese is as follows:

A – 93% - 100%

C – 84% - 77%

E – Below 70%

D – 76% - 70%

A student may qualify for the High Honor Roll with a grade point average of 3.5 or higher, and the Honor Roll with a 3.0 - 3.49 grade point average. Students earning a D or E do not qualify for the Honor Roll.

Middle School student's grades will be weighted: 20% homework

40% class work

40% assessments, formal essays, and reports.

GRIEVANCE PROCEDURE

If a parent of a student has a dispute with a member of the staff, certain steps must be followed:

1. The grieved person must talk to the concerned party.
2. If that proves unsatisfactory, the grieved party is to talk with the principal.
3. If that proves unsatisfactory, the grieved party is to present the concerns to the pastor,
4. There is a diocesan school superintendent that could be contacted if necessary.

GYM SHOES

Students, for safety's sake, are to wear tennis shoes in gym classes. Please try to obtain tennis shoes that will not leave black marks on the gym floor. For safety reasons, clogs, flip-flops, and Heelys may not be worn for gym class, on the playground, or in the building.

HEALTH

If a child becomes ill in school, parents will be contacted. All contagious diseases, including flu, must be reported to the school secretary by 9:00AM each morning. She, in turn, informs the District Health Department. If a child has been ill and should not go outside for recess, parents are to write a note stating the request and accompanying reason. After two days the child should bring a note from their doctor.

If your child must take medication at school, a parent/guardian must fill out a Permission Form for Medication. The parent/guardian must provide the medication in its original container, put the container in a Ziploc bag and label the bag with the child's name and dosage. All medication **must** be brought in by the parent and picked up by the parent. At the end of the school year a parent must pick up medication. Any medication left after the last day of school will be disposed of properly.

When your child becomes ill, how long would you normally keep him/her out of school?

St. Ann Preschool and Before and After School Care has a health care policy that addresses children and staff hand washing, handling children’s bodily fluids, cleaning and sanitizing of all equipment, toys, and other surfaces, controlling infection, including universal precautions, and health related resources.

Head Lice

Head lice are a continuing problem among elementary age children. We try hard to prevent lice from spreading at our school. All children are checked throughout the school year when they complain of their head itching. Students who have lice need to be treated and have the nits combed out of the hair. Students who have been sent home with head lice must be treated and be lice and nit free before returning to school. The student, upon their return, must be checked immediately by a school staff member before returning to the classroom. It is strongly recommended that parents check their student’s hair once each week throughout the elementary years. Following these guidelines will help keep lice out of our school.

Immunization

The State of Michigan has established minimum immunization requirements for all students. All students new to the school must have an up-to-date immunization record or a waiver on file in the school office.

The Michigan Department of Education, in cooperation with the Michigan Department of Community Health has stated that the Meningococcal vaccine (MCV4) can protect children and adolescents from this disease.

- This vaccine is usually given to 11-12 year olds (6th graders)
- Because it is a newer vaccine, older adolescents may not have received it. Teens that have not had Meningococcal vaccine should be given a dose.
- Ask your child’s health care provider if he/she needs the Meningococcal vaccine

HOMEWORK

Homework is assigned on a regular basis in order to review and reinforce the work done in school. Achievement cannot be attained without study. Parents should help their child to understand that the study and review of assignments are needed for practice, as well as, the further development of classroom instruction. The amount of home study per night should be approximately as follows:

Grades 1-2	not more than 30 minutes
Grades 3-4	30-45 minutes
Grades 5-6	50-70 minutes average

Daily homework time does not include long-range assignments or projects. ***In most instances, students will need parental guidance with time management skills.*** All children vary in their abilities to perform any task. Parents should provide proper conditions in the home, and, as far as possible, a specific routine or time span in which work for school can be done. In grades 2nd-6th, each student is given a personal planner in order to keep track of daily assignments and projects. Parents are expected to show an interest in their child's homework, and to provide only the kind of help that encourages them to succeed on their own merit.

Students who lose their planner must pay for a replacement planner at a cost of \$10.

INSURANCE

Michigan Catholic Conference provides student accident coverage through Student Assurance Services. Information is available upon request from the School Office.

LIBRARY

Each classroom is assigned a weekly library period. Students may check out books to take home, and are reminded of the special care that they should give to the books. If books are overdue there will be a 25¢ fine per book per week. Lost books must be replaced at parent's expense. No new books can be checked out until the books that are due are returned. Progress reports will not be issued if books are missing at the end of school year, or if there are outstanding fines. Student will not be allowed to attend end-of-year field trip unless all library books have been returned or replaced.

LOST AND FOUND

Please label your child's belongings. Misplaced items will be put in Lost and Found wooden bench at school entrance. Lost and found items will periodically be donated to a local charity. Parents will be notified via our newsletter prior to items being taken to a charitable organization.

LUNCH PROGRAM

St. Ann School provides a hot lunch every day for those who wish to take it. The lunch menu will be available online at our website, www.stanncadillac.org. St. Ann School uses a pre-pay lunch system. Families may send one check to cover all of their children. Checks should be made payable to St. Ann School. All monies should be placed in an envelope marked "Hot Lunch," with family name on it.

A family whose lunch balance exceeds \$20 will result in their students being served a ham and cheese sub only instead of the full entrée until the balance is paid in full.

Lunch credits are carried forward to the next school year. Families not returning will be issued a refund if their credit is \$5 or more.

Free / Reduced Lunch applications are available in the school office. All information is strictly confidential. Our process is set up in such a way that no students, including the recipient, know who receives free or reduced lunch.

Lunches served are nutritious and filling; therefore, each student is expected to try everything and not waste food. Children always have a choice of the main entrée or a ham and cheese sub.

St. Ann School will not store sack lunches or drinks in refrigerators. Additionally, sack lunches will not be warmed by staff members.

Lunches from fast food restaurants may **NOT** be brought in to the lunchroom. Pop is **NOT** allowed in the lunchroom during lunchtime. **NO glass containers allowed.**

The following behavior is expected in the lunchroom:

- Students should walk from the cafeteria in an orderly fashion as not to disturb other classes in session.
- Students are expected to show respect to the lunch supervisor/s and follow instructions the first time they are given.
- Students are to sit at the table assigned to their class.
- Students are not permitted to “save” seats.
- Students are expected to be courteous and thoughtful to all, with conversation being carried on in a normal tone of voice.
- Students should sit down and eat/visit quietly for 15 minutes. Students will not be permitted to move from table to table or wander around the lunchroom at will.
- Students are to leave their eating-place neat, picking up all papers on and under the table.

MASS AND PRAYER SERVICES

Students and staff will meet daily for Morning Prayer except for weekly scheduled Mass days (Wednesday) and choir practice (Tuesday).

MIDDLE SCHOOL (5th - 6th) / ATHLETIC ELIGIBILITY

A student's eligibility is determined by his/her performance - academic behavior. Eligibility will be determined every Thursday and ineligible students informed. A list of ineligible students will be submitted to the principal. Eligibility is from Friday to Thursday. This will allow athletes to be notified in a timely fashion.

- A. A student will be ineligible for the entire week (Friday to Thursday) if he/she:
 1. Is failing any class.
 2. Has three or more assignments not completed by Thursday at 11:30am.
 3. Displays inappropriate behavior that leads to being sent out of the classroom for disciplinary action or inappropriate behavior outside of school that results in in-school or out-of-school suspension.
 4. Students will receive a warning when they are ineligible based on #1 and #2 for the first time that marking period. They will be ineligible for any subsequent weeks that they do not fulfill the expectations of #1-3. Student eligibility will take place all four marking periods. Student's consequences will end (1-5 days) when they are no longer ineligible. Student takes their missing assignment sheet to teacher(s) to have it signed once their work is completed. Their homeroom teacher will then remove them from the ineligibility list.
- B. An ineligible student:
 1. Is not allowed to participate in recess and will attend a study hall at that time to make up late work. Student will eat lunch in the ELab. (teacher discretion)
 2. Is not allowed to attend any special school events that are held that week in or outside of normal school hours, i.e. assemblies, concerts, field trips, etc. (teacher/principal discretion)

- C. An ineligible student may attend any activity required by a teacher for a grade or credit.
- D. Late assignments: Each day an assignment is late, it will lose 10% of the grade. When the assignment can no longer receive a passing grade, it will become a permanent “0” with no opportunity to make it up for points. It must still be completed. Extra credit will not be given to raise failing or low grades. It may be given for other reasons.
- E. It is the responsibility of the student to make up any required work missed during an absence. It is the student’s responsibility to request make-up work the same day he/she returns to school from an absence. Make-up work is to be completed at a time mutually convenient to the student and teacher involved with at least one day of make-up allowed for each day of absence. Absent work not completed in that allotted time will become an incomplete assignment. Your child’s teacher will give schoolwork at his/her discretion. Work requested and given during an absence is due upon return to school or it will be considered late.
- F. In the event of a long-term absence (due to illness or family emergency), it is the teacher’s discretion what assignments need to be made up with a schedule of completion.

MONEY AND VALUABLES

Students are discouraged from bringing large sums of money and/or valuables to school. If the student elects to bring any personal belongings, (toys, balls, books, electronics, etc.) they are responsible for these items and must understand that “accidents” may occur when sharing these treasures.

MOVING

If your family is planning to move, please let the school and parish know so we can update our records, and/or make the necessary transfer of records arrangements. Please notify the office of any custodial changes, living arrangements/dual households.

PARENT ADVISORY COUNCIL

The Parent Advisory Council is a consultative body for operating educational programs at St. Ann School, subject to such regulations that proceed for the Diocesan Advisory Board of Catholic Education. The St. Ann Parish pastor, school principal and seven parents make up the council. All parents and St. Ann Parish members are invited to attend a Parent Advisory Council meeting at any time.

PARENT INVOLVEMENT PROGRAM (Not required during COVID restrictions)

St. Ann School is dependent upon its parent volunteers to help provide some of the extracurricular programs for the students and to help with some of the supervisory duties during the school day. To insure that these programs continue and to fairly distribute the tasks of running each one, each parent must sign up for three of the four following events:

- Autumn Auction
- KidFest
- Golf Outing
- Team Task

Every effort will be made to help you fulfill your commitments; however, assignments will be made for those families failing to sign up in each area.

Lunch/Playground Supervision (required) (Not required during COVID restrictions)

Hot Lunch Supervision (4 times/family) or pay \$10 per day for someone else to work for you.

This commitment may be made in one of two ways:

1. Work from 11:05AM-12:15PM four times a year, per family. Sign up will be at the Open House. You may trade with another worker if a conflict arises. Please notify the office of any changes. NO SHOWS WILL BE CHARGED \$15.
2. Pay the school office \$40 (\$10 per time) to hire a designated person to work for you. Scheduling and payment will be done through the school office.

Parental Commitment (Not required during COVID restrictions)

The success of St. Ann School and our students is due in large part to the commitments you as parents make to be present for school functions and fundraisers.

Every JrK-6th grade parent at St. Ann School is expected to either participate in these commitments, or find a willing replacement for their duties. Each parent is required to work 3 of the 4 following major commitments: **Autumn Auction; KidFest; Golf Outing; Team Task.**

Parental Commitments may be met by one of two ways:

1. Fulfill your obligation
2. Find a replacement for your obligation

Failure to fulfill your commitment will result in a \$75 fee per commitment. **This policy is not meant to encourage and/or allow parents to “buy out” of the Parent Commitment that each of you agrees to do upon registering your child(ren) to attend St. Ann School. It is only under extenuating circumstances such as a serious illness/injury or death in the family that you would be exempt.**

PARENT - STUDENT - TEACHER COMPACT

St. Ann School staff knows that with the help of parents and community we can guide each child in achieving his or her greatest potential by providing a diversity of experiences, which integrate excellence in education with the child's individual abilities and unique talents. We share the responsibility for student acquisition of academic, creative, emotional, physical, and social skills necessary for entering society as contributing members. We strive to enhance each child's experience at St. Ann School by continually assessing and evaluating our attainment of these goals.

The teachers agree that students must be given the opportunity to succeed. Therefore, they agree to do the following:

- Have high expectations for their students and themselves
- Maintain open lines of communication with students and parents through the use of the classroom folder, planners, e-mail, newsletters, etc.
- Respect the students, their parents, and the diverse culture of the school
- Demonstrate care and concern for each student
- Seek ways to involve parents in classroom activities
- Use the Responsible Thinking Process
- Make efficient use of academic learning time

We believe that parents and guardians want their children to reach their full academic potential.

Parents can help by doing the following:

- See that their children attend school regularly
- Support the school in its use of the Responsible Thinking Process
- Read with their children and let them see you reading
- Establish a time and place for homework and check work in the classroom folder regularly
- Have ongoing communication with the classroom teacher
- Limit and monitor children's TV and movie viewing
- Keep required volunteer commitments, (Team Task, Autumn Auction, Kidfest, Golf Outing and Lunch Supervisor, etc.) for St. Ann School.

It is important for students to work to the best of their ability. They can do this by:

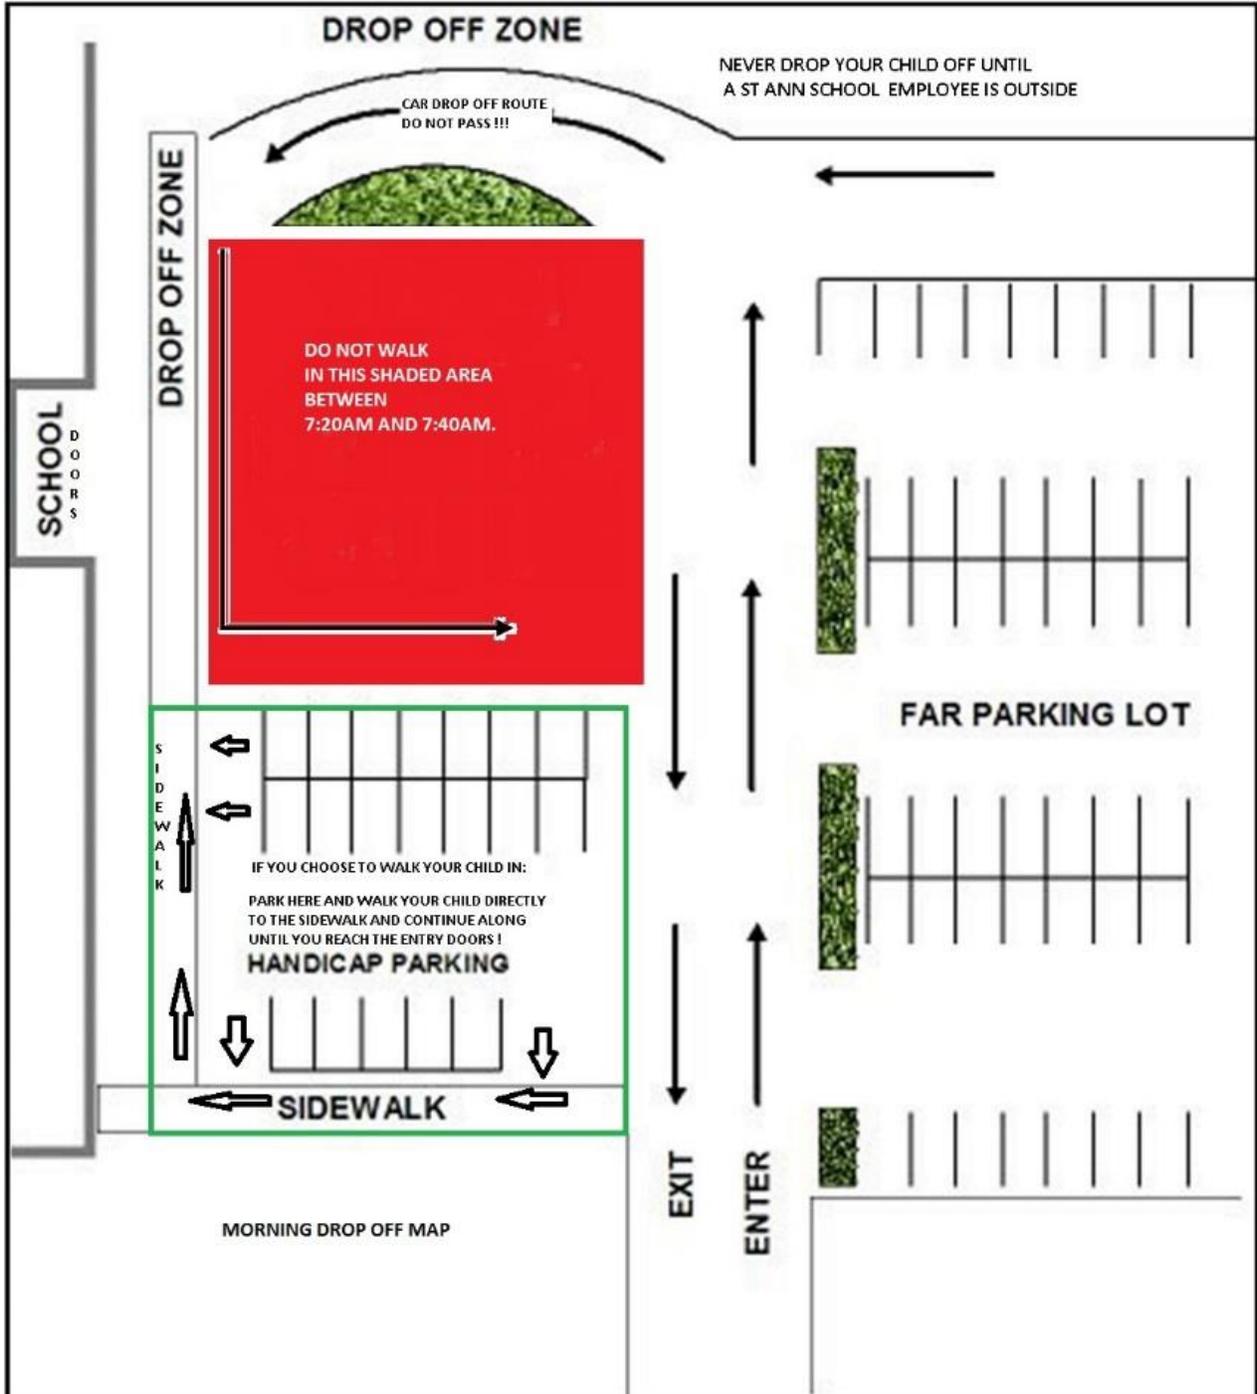

- Coming to school every day on time and ready to learn
- Finish their school work and participate in classroom activities
- Show respect for themselves, the school, and other students
- Understand and follow the Code of Conduct
- Set aside a regular time and place at home to complete homework
- Be responsible for bringing your classroom folder to and from school

PARKING - MORNING DROP OFF

1. Please go around the horseshoe in a single lane and stop at the sidewalk in front of the school doors.
2. Have your child **exit the car on the sidewalk side**. If the weather is bad they may go right into school. If not, they are to follow the sidewalk out to the playground.
3. **Do not** pass a car in front of you, but wait until they pull away and follow them out.

— IMPORTANT —

PLEASE SHARE THESE PROCEDURES WITH ANYONE WHO WILL BE DROPPING YOUR CHILD OFF AT SCHOOL.

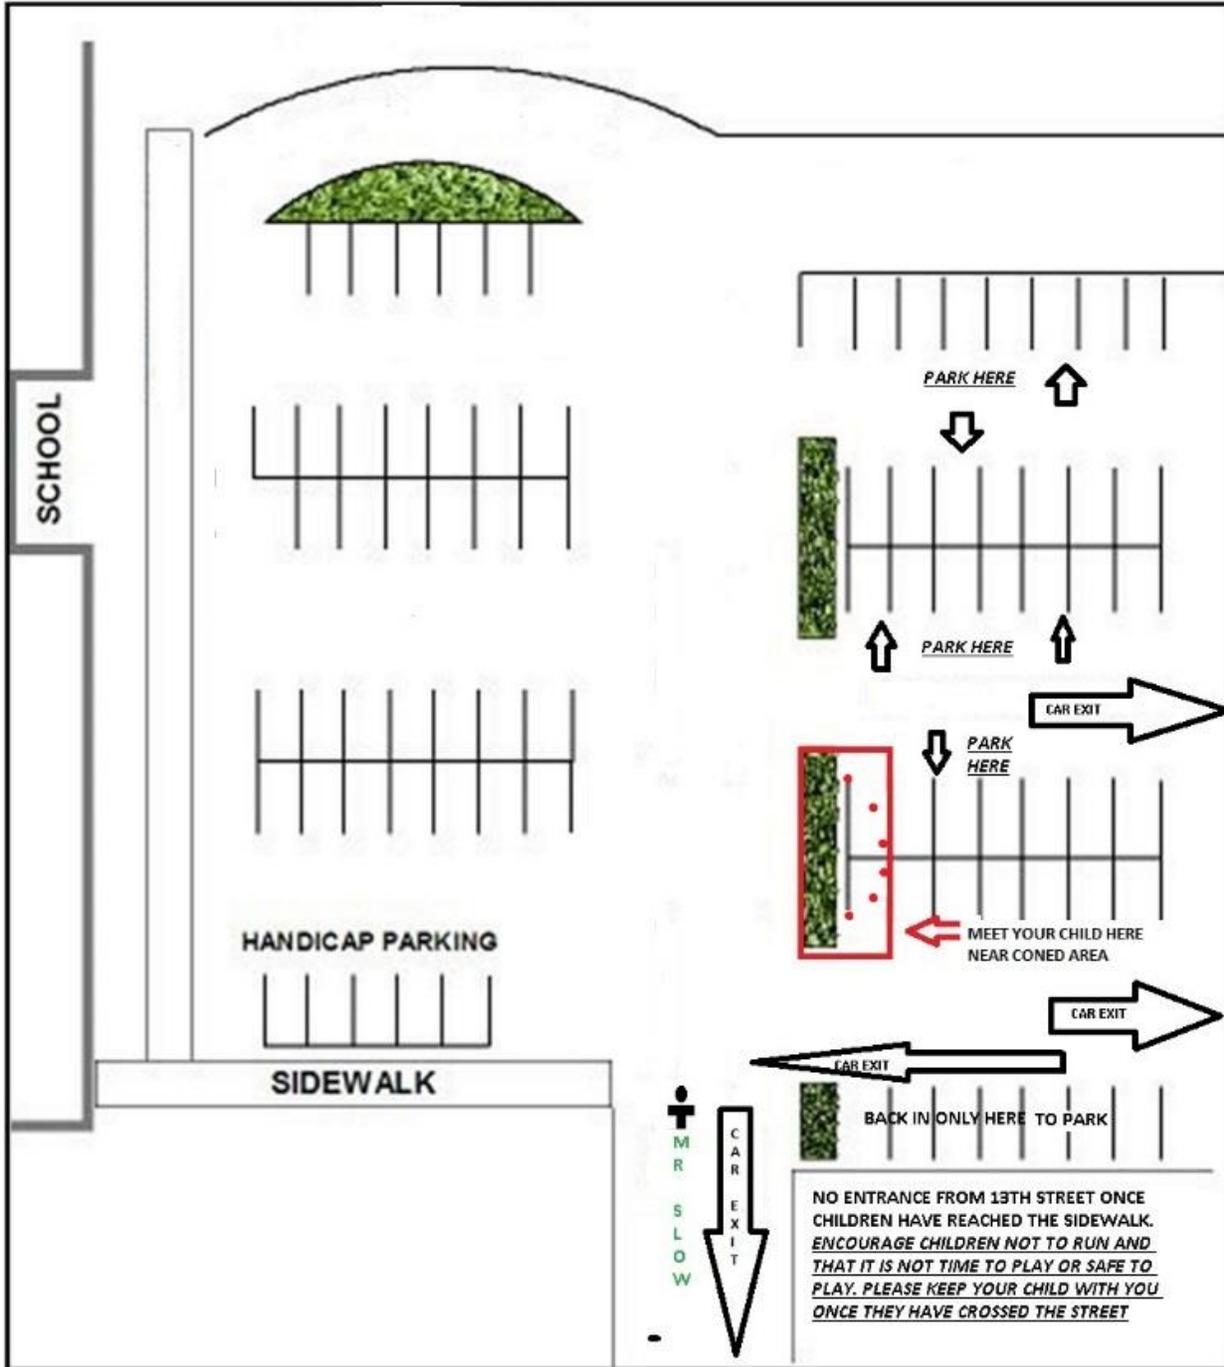

PARKING - AFTERNOON PICK UP

1. When coming to pick up your children at dismissal, please park in the far parking lot with your car facing 13th Street so no one will have to back up.
2. Do not park in the first row facing the grotto. This row would have to back up, thus being a safety hazard to the children.
3. Please enter and leave the school grounds by way of 13th Street.

— IMPORTANT —

PLEASE SHARE THESE PROCEDURES WITH ANYONE WHO WILL BE PICKING UP YOUR CHILD AFTER SCHOOL.

PESTICIDES

Pesticides will be used periodically throughout the school. In accordance with State of Michigan law, you are entitled to prior notification of pesticide treatment. Please contact the school office to fill out a Prior Notification Request Form. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied to prevent injury to students. Emergent infestation application notifications will be sent to parents within 48 hours of application via one or more of the following: email, website, BrightArrow, newsletter, and/or flier.

PETS / ANIMALS

Due to allergies, pets/animals are not allowed in the building. Prior arrangements may be made with the teacher to meet in the courtyard.

PRESCHOOL

St. Ann Preschool Mission

The mission of our preschool program is to enhance each child's spiritual, social, emotional, physical, and mental growth in the context of a caring and loving Catholic educational environment. The early childhood years are formative. A child's values and attitudes take root in the early years – towards self, God, others, all of creation, life, learning, acting responsibly, independently, and interdependently. Our program strives to provide a loving and supportive environment that encourages children to explore, experiment, create, and express themselves as they develop a positive self-image. As Catholic educators we facilitate learning, guide the children when needed, and offer comfort, encouragement, support, advice and knowledge. We have tremendous responsibility to provide the very best spiritual and educational programs. We stress that each child is a special and precious work of God with uniqueness all one's own.

Arrival and Dismissal Procedure

Arrive as close to your scheduled class time as possible. **Students will be greeted and brought into the school building by a St. Ann Staff member based on COVID guidelines.**

NEVER drop off a child unless a teacher or teacher assistant is present to receive and supervise that child. Children will only be released to parents or other adults listed on the child's authorization form.

Early drop off students will be escorted into the building based on COVID guidelines. Do not leave your child in the room without the presence of the teacher or teacher assistant.

At dismissal, all Preschool students are to be picked up by their parent/guardian at the classroom.

Curriculum

The curriculum is child and play centered which incorporates the learning processes that are essential to the development of the "whole child". We believe each child develops at their own rate and "that if the child needs the skill, asks for it, appears ready for it, give it. If there is any doubt – WAIT. The child who is really ready will attempt it unaided." (One Piece of the Puzzle by Nancy Richard and Barbara Carl)

Religion: Foster a love of God and Jesus through stories and prayer.

Affective: Develop positive self-awareness and esteem, independence and interdependence, decision-making, self-confidence, and awareness of feelings.

Cognitive: Integrate learning across the curriculum with a unique theme-based approach encompassing math, reading, and science through rhyming, ABC books, pre-journaling, sequencing, predicting, patterning, sorting, number exploration, counting, and cause and effect.

Discipline

The staff of St. Ann Preschool is experienced in dealing with children of different temperaments and backgrounds. We genuinely love children. However, we also know that this is not enough in meeting the daily needs and problems of preschoolers. We believe a kind, positive, but firm atmosphere with simple rules usually provides a healthy environment in which to grow and develop. Mutual respect is emphasized, and we strive for individual self-discipline and independence as well as interdependence.

If you notice a change in the behavior of your child, or have a concern, please feel free to discuss it with the teacher. Communication is important on all levels of education.

Intervention in problem situations will occur in one of the following ways:

1. Help the child find other ways to handle the problem.
2. Redirect the child to another activity.
3. Have the teacher join the child in a one-on-one activity.
4. Restrain an aggressive act with a big “hug” to prevent the action and to distract the child onto a warm situation.
5. Require the child to sit away from the activity temporarily and in the company of the teacher and think about how he/she can change one’s behavior and become a helpful member of the class.

St. Ann Preschool does not use corporal punishment.

Dress

Dress your child in comfortable play clothes. He/she will be engaged in very active play and should be comfortable. White-soled tennis shoes are recommended. Remember that preschool can be messy. Dress appropriately for outside play. During the winter months, we will be going outside to play as much as possible. Label all clothing! In the winter, slippers can be kept at school. When the children arrive at school, they can slip their boots off and put on their slippers. This eliminates the problem of forgetting shoes.

Field Trips

We feel that varied experiences outside of the classroom are advantages to a child’s growth and development. On these occasions, we will take a parent volunteer for every 4 or 5 students, plus the teacher and teacher’s assistant. Parent volunteers will be used as drivers. Drivers must comply with the Gaylord Diocese guidelines and have a seat belt for every student transported. A driver is required by the State of Michigan to have a background check completed. This can be done through the Child and Family Independence Agency. It must be handed in two weeks prior to the first field trip. A child car seat or booster must be provided for all children. No child may sit in the front seat that is equipped with an air bag. Each child must have a signed permission slip before they are allowed to participate.

Licensing

The Preschool licensing notebook contains all the licensing inspection and special investigation reports and related corrective action plans since May 28, 2010.

The Preschool licensing notebook is available to parents during regular business hours.

The Preschool licensing inspection and special investigation reports from at least the past two years are available on the childcare licensing website at www.michigan.gov/michildcare.
