### **PARISH MISSION STATEMENT**

"Conscious of our dependence upon the Holy Spirit and with courage and perseverance, we, the parishes of St. Ann, seek to foster our growth in the likeness of Christ, to gather new followers of Christ into our midst and to implement Christ's way in society. We seek to accomplish these tasks through Spirit-filled liturgy, sound instruction and loving care and concern for all."

### **ST. ANN SCHOOL MISSION STATEMENT**

"We at St. Ann School are guided by the Holy Spirit to provide an exceptional Catholic education for students spiritually, academically, physically, and socially."

### **ST. ANN SCHOOL PHILOSOPHY**

At St. Ann School, we are committed to instill in each child both a love of the Catholic faith and a love of learning. Daily religious instruction, frequent prayer and participation in the planning for Eucharistic liturgies all contribute to the faith-filled atmosphere. Because our faith must be shared to be authentic, students have frequent opportunities to put into practice the spiritual and corporal works of mercy. With sensitivity to the uniqueness of the individual, we encourage each child to fulfill his or her potential in all areas of learning. The student is able to see his or her life as a tapestry in which the strands of learning, faith, and service are not separated, but integrated to produce a unique and beautiful whole.

Acceptance of a position at St. Ann School requires a commitment to the education of the whole child. Dedication to Jesus Christ, commitment to professional growth, and a strong sense of community are the marks of our staff. We recognize the developmental continuum of the educational process and strive to build on already acquired skills and knowledge while preparing for future learning. Students can see in our methods of teaching and our handling of discipline both the gentleness and the strength of Jesus.

We believe parents are the primary educators of their children, so the school is committed to working with parents to encourage the development of each child. It is our hope that children view the school as an extension of the faith life they experience at home, where their parents are the first models of Gospel living. We support and assist parents by offering educational information and presentations and by fostering regular and open communication between home and school. Parents assist as volunteers, making use of their abilities to contribute to the educational process.

Parents wishing to send their children to St. Ann School are to be committed to living out the Catholic Christian life by:

- Striving to model the values of Jesus
- Daily prayer together in their home
- Regular attendance at Sunday Worship
- Faithfully supporting their church and works of charity
- Commitment to the Parent Involvement Program

## **ST. ANN SCHOOL VISION**

St. Ann School is committed to the development of the whole child in Catholic Faith, academic excellence, strong athletics, and Christian service.

In the event of an accident or emergency, parents/guardians will be contacted immediately. If we are unable to reach the parent/guardian, we will contact those listed on the Child Information Form. If no one can be reached, we will seek emergency medical care as specified by the parents/guardians on the student's Emergency Contact List. The parent/guardian will be responsible for any incurred expenses. For your child's sake, please keep the school office/program manager updated on any change in emergency phone numbers.

## **ADVERTISING OUTSIDE ACTIVITIES**

The announcement, distribution, or posting of non-school sponsored materials must have the prior approval of the administrator, principal or his/her designee. A minimum of 24 hours is required to ensure that the principal has sufficient time to review the announcement or posting. Materials determined to meet any description below will be denied:

- causing a material and substantial interference to the educational environment;
- obscene or containing indecent or vulgar language;
- defamatory or libelous;
- invading the privacy of another person;
- offensive to a person's race, religion, ethnicity, or gender;
- encouraging illegal activity or violation of school rules.

## **ASBESTOS NOTIFICATION**

Even though our school does not contain asbestos materials, in compliance with the U.S. Environmental Protection Agency (EPA) Asbestos Hazard Emergency Response Act (AHERA) of 1990, we have an asbestos management plan on file in the School Office. Everyone is welcome to view these at any time during normal school hours. Our maintenance staff, in accordance with Michigan Catholic Conference requirements, attends an Asbestos Training on a regular basis.

## **ATHLETICS**

### **Philosophy**

The purpose of the athletic program is to complement the home, church, and school in the development of the "whole person." Activities of the program are there for the benefit of the students, suited to their age and physical growth.

While winning or striving to win is a legitimate goal of any athletic contest, it should always be done in a way that does not compromise the following primary philosophies of the program which are:

- to foster Christian sportsmanship among teammates and other teams,
- to recognize the need of physical fitness for the wholesome growth of the individual,
- to develop a healthy interest in sports through participation,
- that any student who meets our program's criteria will be allowed to play.

### **Policies**

The St. Ann School Athletic Program is under the jurisdiction of the Parent Advisory Committee, with policy being implemented and enforced by the Athletic Director. The policies are established for the benefit of all the students who participate in athletics at St. Ann School. All students who have the desire to participate should be encouraged to take part in our athletic program.

St. Ann School student athletes must comply with all rules and guidelines contained in the St. Ann School Parent/Student Handbook and the policies of the Diocese of Gaylord.

### **General Information**

The following items are required to be completed and on file with the school office before an athlete will be allowed to participate in the program:

1. Your family doctor or any medical center must complete a yearly physical or sports examination.
2. A consent form must be completed by the parent/guardian giving permission for the student to participate in each sport.
3. Athletes must sign an agreement form stating their desire to play a particular sport and their willingness to abide by the directives of their coach and the Code of Conduct of St. Ann School.
4. Proof of insurance for medical coverage is required before participation is allowed. The name of the insurance company and the policy number are to be included on the consent form. Student accident insurance is available through the school for families without other insurance coverage.
5. The school will do a confidential background check and fingerprinting of all coaches through the State of Michigan. The information will be sent to the Diocese of Gaylord to determine coaching eligibility.

### **Fundamentals of Sportsmanship**

- Show respect for the opponent at all times. The opponent should be treated as a guest, greeted cordially on arriving, given the best accommodations, and accorded the tolerance, honesty, and generosity that all human beings deserve. Good sportsmanship is the Golden Rule in action.
- Show respect for officials. The officials should be recognized as impartial arbitrators who are trained to do their job and who can be expected to do it to the best of their ability. Good sportsmanship implies the willingness to accept and abide by the decisions of the officials.
- Know, understand, and appreciate the rules of the contest. A familiarity with the current rules of the game and the recognition of their necessity for a fair contest is essential. Good sportsmanship suggests the importance of conforming to the spirit as well as the letter of the rules.
- Maintain self-control at all times. A prerequisite of good sportsmanship requires one to understand his/her own bias or prejudice and the ability to prevent the desire to win from overcoming rational behavior. A proper perspective must be maintained if the potential educational values of athletic competition are to be realized. Good sportsmanship is concerned with the behavior of all involved in the game.
- Recognize and appreciate skill in performance regardless of affiliation. Applause for an opponent's good performance is a demonstration of generosity and good will that should not be looked upon as "treason." The ability to recognize quality in performance and the willingness to acknowledge it, without regard to team membership, is one of the most highly commendable gestures of good sportsmanship.

### **Players**

The responsibility of the players for sportsmanship is second in importance only to the coach. Because players are admired and respected, they exert a great deal of influence over the actions and behavior of the spectators. A player's actions must display a Christian attitude at all times.

**Responsibilities and obligations:**

- Treat opponents with respect that is due them as fellow human beings.
- Wish opponents good luck before the contest.
- Exercise self-control at all times, accepting decisions and abiding by them.
- Respect the official's judgment and interpretations of the rules. Never argue or make gestures indicating a dislike for a decision.
- Only the captain should communicate with the officials regarding the clarification of a ruling.
- Accept both victory and defeat with pride and compassion, never being boastful or bitter.
- Congratulate the opponents in a sincere manner following either victory or defeat.
- Cooperate with the coach and fellow players in trying to promote good sportsmanship.
- Accept seriously the responsibility and privileges of representing your school.
- Students are expected to be present from the first day of practice to the last athletic contest.
- Athletes are to respect school property and leave the locker area and gym clean and neat.
- All athletes, both home and away teams, must remain in the building at all times unless accompanied by a parent.

**Responsibilities of Parents**

Participation in sports can be a rewarding experience when parents join with the school in providing the best program for the children. It is important for parents to help in supporting their child's athletic experience in various ways by:

- Attending games
- Giving encouragement and moral support to coaches and players
- Parents and athletes are expected to remain after the game until the gym and changing rooms have been cleaned.
- Carefully supervising your other children during the games
- Parents agree that arrangements be made so that siblings of players are not left at school during practices.
- Picking players up promptly after practices and games.
- Handling problems with coaches or officials in a Christian manner.
- Providing the required sports physical for your child.
- Taking care of uniforms, washing them regularly, and returning them clean (*Uniforms are only to be worn during games – not during practices*).

**Spectators**

The enthusiasm for sports among many spectators indicates that they play a vital role in the development of good sportsmanship. Their habits and reactions determine the quality of sportsmanship that reflects upon the reputation of their school.

**Responsibilities and obligations:**

- Know and demonstrate the fundamentals of sportsmanship.
- Discourage fellow spectators whose behavior is inappropriate.
- Respect the property of the school and the authority of school officials.
- Show respect for an injured player when he/she is removed from a contest.
- Do not applaud errors by opponents or penalties inflicted upon them.
- Do not heckle, jeer or distract members of the opposing team.

- Never criticize the players, coaches, officials, or scorekeepers for the loss of a game.
- Respect the judgment and strategy of the coach. Refrain from being a second guesser.
- Avoid profane language and obnoxious behavior that are contrary to good sportsmanship.

#### **Number of Games**

- Each sport will be permitted to have up to 20 games (including tournaments) per season.
- During preseason, teams will be allowed to practice up to 8 hours per week, 4 days per week.
- Athletic Director, Coach and Principal need to set up schedule.

#### **Player Fee**

All participants are required to pay a \$25 player fee for each sport. Student is not allowed to participate in any games until the player fee has been paid. No student will be denied the opportunity to participate based on financial limitations.

#### **Codes of Conduct**

- Appearance: Athletes shall be clean, neat, and wear appropriate attire at all times. Since athletes are representatives of our school, they should be expected to look and act in a way that will bring credit to themselves and to St. Ann School.
- All athletes are expected to follow the Code of Conduct in the St. Ann School Parent/Student Handbook.
- Students who display inappropriate behavior that leads to being sent out of the classroom or removed from the playground, etc., may lose the privilege to participate in one or more athletic events, at the discretion of school administration.

#### **Benching of an Athlete**

The coach may bench an athlete for one game under the circumstances listed below. If a student is benched for any of the reasons listed below, he or she is still expected to attend the game.

- Unsportsmanlike conduct
- Unexcused absence
- Missing a game or practice without a legitimate excuse

#### **Dropping Out of a Sport**

Quitting a team in mid-season is a serious matter. It is only fair and reasonable to expect that the student and parent/guardian consult with the coach prior to quitting.

#### **Inclement Weather**

The Principal will determine whether or not a game will be held if there is inclement weather on the day of a game. In the event school is canceled, there will be no game.

#### **Eligibility for Sports 4<sup>th</sup> – 7<sup>th</sup> grade**

- Two E's | miss the game/games for the week until work is made up and teacher approval.
- 1 E | student will be assigned morning help session until completed.

#### **Eligibility for Clubs**

- Two missing assignments - no participation until work is made up.

## ATTENDANCE

Students are expected to attend school regularly and on time.

JK - 7th grade: The first bell rings at 7:35AM. A student is tardy and must report to the office if they arrive after 7:40AM. **School starts promptly at 7:40AM, after the second bell has rung.**

Preschool: School starts at 8:00AM. (See page 26 for more information).

Non-bus students should not arrive before 7:15AM.

### Absences

St. Ann School is required to report illnesses to the Health Department on a weekly basis. Therefore, **all** absences need to be called in, the reason why the student is absent, and what particular illness in the event the student is sick. Please call the school office by the parent or guardian by 9:00AM.

School secretaries begin calling parents of any students marked absent by 9:00AM. If a parent or guardian cannot be reached within a reasonable amount of time, the student will be marked unexcused.

**Students will be marked half-day absent if they leave before 12:30PM.**

**Students will be marked half-day absent for the morning if they arrive after 9:15AM.**

**In the event we exceed our snow days, students are expected to attend virtual learning.**

### Excused Absences

Absences will be excused based on verified contact with the parent or guardian, as well as by a written explanation for the following reasons. Personal illness of the student;

1. Medical and dental examination and/or treatment of the student when such appointments cannot be scheduled other than during the school hours. A tardy due to medical/dental reasons, with a doctor's note, will not count against a student's cumulative attendance.
2. Student participation in school sponsored activities taking place during school hours.
3. Death in the immediate family.
4. Reasons of extenuating circumstances to be judged by the principal.
5. Allow two days absence before requesting homework.

In the event a student will be absent for an extended period of time, you are required to contact the school office, contact the student's teacher, and provide a note one week before the child's last day of school. Please indicate if you are requesting schoolwork for your child in this note. Your child's teacher will give schoolwork at his/her discretion. If work is given, it is due upon return to school or it will be considered late. **If a parent does not request homework before the student's absence is taken, the student will have the same number of school days they are absent to complete the missing work. (Example: 3 days absent = 3 school days to make up work for full credit).**

### Unexcused Absences

Absences other than those mentioned above, or any absence without a written explanation from parents/guardians, will be considered unexcused. In the case of an unexcused absence, the teacher is not required to instruct again, give credit for work

missed, or provide make-up tests. If a student has been absent for twenty five percent (25%) or more of the grading period, the teacher may choose to withhold grades for that period.

### **Appointments**

Should you find it absolutely necessary to schedule appointments during class hours, please notify the school with a note. Appointments will be judged excused or unexcused according to the criteria above. ***Parents or guardians coming to school for early dismissal of a student are to go to the office to sign the student out of the building.*** Please do not go to the classroom. Students will be called to the office. Likewise, when dropping a student off after an appointment, parents/guardians should report to the office and sign the student into school. **Please try to refrain from scheduling appointments during MAP testing.**

### **Tardy Students**

Tardiness causes an interruption not only for your child, but also for the entire class. Please be sure your child arrives at school on time.

If your child arrives to school after 9:15AM a parent must sign them in at the office.

Excessive tardiness, 5 (within one semester) and absences, 5 (within one semester) may be referred to the Wexford-Missaukee Intermediate School District (WMISD).

Each tardy beyond 5 (within one semester) will result in Elab at lunchtime.

### **Attendance and Homework**

Parent requests for homework will be honored if their child is ill for 2 or more days. Students are expected to do virtual work when assigned as a result of school being in attendance.

An attendance intervention will be held for any student who accumulates 10 days of absence during the semester. Letters will be sent to parents when a student has missed a significant number of days. This letter will be accompanied by a current attendance history report. Parents are encouraged to contact the principal to discuss their student's attendance history.

### **BEFORE AND AFTER SCHOOL CARE (ASC)**

St. Ann School offers enrichment childcare to preschool through 5th grade students. The program operates as follows:

**Before School for Preschool:** 7:15AM - 7:45AM | NO CHARGE

**Younger After School Care:** Preschool, JK, Kindergarten, 1<sup>st</sup> | 2:25 - 5:30PM.....\$6/DAY

**Older After School Care:** 2<sup>nd</sup> - 5<sup>th</sup> grade: 2:25PM - 5:30PM..... \$6/DAY

**Early pick-up** by 4:00PM.... \$3/DAY

You are responsible for picking your child(ren) up at 5:30PM, otherwise a late fee of \$5 for every 15 minutes late will be assessed.

A 24-hour advance notice must be given if your child is staying in the ASC program. That means we need to know no later than 2:30PM the day before (by Friday if they are staying on Monday). This policy is necessary because the staffing needs to be compliant with the State of Michigan regulations. A 24-hour advance notice is also required if you plan on cancelling your child/ren's stay in ASC to avoid being charged for that time.

Students who are not picked up by 2:45 PM will be sent to the ASC and the parents will be charged 1½ times the childcare rate for the first late pick up, double the rate the second late pick up and the family will lose their privilege of the use of the ASC after the third late pick up.

**Families cannot be more than two (2) weeks past due on their AfterSchool Care in order to use the program. You will be billed on a weekly basis.** Call the school office to sign up.

St. Ann School will provide an after-school snack.

## **BILLING**

The school office will send out statements on a monthly basis in regards to any outstanding balances, i.e. hot lunch, registration, snack, and technology fees, etc. After School Care will be billed on a weekly basis. All statements will be sent via email if one is provided to the office. All fees are non-refundable including tuition for weather-related school cancellations.

All outstanding balances must be paid in full by June 30<sup>th</sup> in order to complete enrollment of your student(s) for the next school year. All families with an outstanding balance will not be allowed to enroll their student(s) for the next school year, unless a payment plan has been agreed upon with the principal.

If there is an outstanding balance on your family account you will not be able to sign up for community programs through our school, for example, skiing.

If you are entitled to payment (lunch duty, replacement worker) but owe the school money, your payment will be reduced by the amount you owe.

Payments must be made monthly toward outstanding balances (in addition to staying current with weekly balances such as childcare and lunch) in order to be eligible for the Childcare program.

Students who damage school property and/or materials (such as textbooks, technology equipment, planners, etc.) will be responsible for the replacement cost of the damaged property and/or materials.

## **BUS RULES**

Cadillac Area Public Schools provide busing for our JK - 7<sup>th</sup> grade students. According to their handbook, they ask that:

- Students observe the same courteous conduct on the bus as they would in class
- Students talk in normal tones
- Students do not eat or drink on the bus
- Students stay in their seats
- Students cooperate with the bus driver
- Students help to keep the bus clean and free from vandalism

If you have a question about busing, call the district transportation director at 876-5050. Inappropriate behavior is usually ticketed. St. Ann School cooperates with the public school disciplinary process.

## **CODES OF CONDUCT**

In wanting to keep our students and staff safe, we have a committee trained in Threat Management. We will do a Threat Assessment on individuals who display questionable behaviors, make threats, or write questionable comments.

### **Anti-bullying**

St. Ann School prohibits acts of harassment and bullying. These include but are not limited to actions such as verbal, written, graphic or electronically transmitted taunts, name-calling and

put-downs, ethnic or gender based put-downs, or any such conduct that is disruptive of the educational process. These acts are subject to discipline at the principal's discretion when engaged at school.

### **Harassment**

It is the policy of the Diocese of Gaylord and St. Ann School to make every effort to provide an educational environment that is free from all types of harassment. This policy applies to the actions of all faculty, staff, and students at St. Ann School, as well as others who may be in a working relationship with the school. The Diocese of Gaylord and St. Ann School are open to and respect any/all concerns brought under this policy. At St. Ann School, every individual should be treated with dignity and respect. Faculty, students, staff members, and anyone else who works and/or visits the school are entitled to work/attend school in an environment free from discriminatory practices, including sexual and other forms of harassment. All will be held by standards of conduct that ensure that the school is free from sexual and other forms of harassment. Students are expected to treat all persons with respect and dignity. Thus, inappropriate sexual behavior or comments, which are directed at faculty, students or other staff members, will not be tolerated. The school will investigate all complaints of harassment in a confidential, professional manner. Appropriate action will be taken when warranted. Individuals involved in any allegations will be given due process.

### **Media**

#### **Administration Professional Code of Ethics**

It is the policy of the Diocese of Gaylord and St. Ann School that all employees, volunteers, and students will abide by federal copyright laws. Employees, volunteers, and students may copy, print, or non-print material allowed by:

1. Copyright Laws
2. Fair use guidelines
3. Specific license or contractual agreements
4. Other types of permission

#### **Policy Enforcement Guidelines**

Depending on the nature and severity of the media policy violation, the Technology Director, or School Administrator may take one or more of the following actions:

1. Verbal or written warning
2. Temporary access denial
3. Permanent access denial
4. Suspension
5. Expulsion
6. Legal action

Demonstrated intent to violate policy will be considered the same as actual policy violation. Demonstrated intent means evidence of actions, which if successful or carried out as intended, would result in a policy violation.

Evidence of attempted or actual system security, integrity, or performance-related incidents will be cause for immediate access denial.

If warranted, the School Administrator will refer the case to Local, State, or Federal authorities for further disposition.

## **Playground**

During recreation and play, it is expected that students show respect to each other and adults by:

1. Giving *all* students the opportunity to participate in games;
2. Taking time to apologize and make amends if someone is hurt; and
3. Taking corrections from adults positively and with a cooperative attitude.

## **Outdoor Recess Conduct**

1. Play on designated playground areas within sight of supervisors.
2. Respect the rights and feelings of others (No pushing, fighting, teasing, or foul language.)
3. Obey the supervisors the first time a direction is given.
4. Rough play of any kind is not permitted, i.e. “chicken”, red rover, tackle football, wrestling, martial arts fighting, etc.
5. Use the play equipment properly.
6. NO food, drinks, candy, or gum are allowed on the playground except on special occasions.
7. Snow pants and boots are required attire in order to play in the snow. During the winter months the temperature must be 0 or above for students to go outside.
8. Students are not to re-enter the building until the bell rings, unless permitted by a playground supervisor. When the bell rings, play time is over. Students should line up quickly and quietly.

## **Student**

St. Ann School is committed to providing a safe and orderly learning experience. School authorities and faculty have an obligation to expect an attitude of respect and cooperation from their students. Discipline is fundamental in education and a respectful atmosphere is essential for academic, social, and spiritual growth to take place. In order to establish and promote an atmosphere of Christ-like living in the school community, the following standards of conduct are expected:

- Respect for self, students, teachers, staff, and guests.
- Respect for personal and communal property.
- Respect for rules and regulations.

Self-discipline is a responsibility the students need to learn. Helping students to learn self-discipline is a shared responsibility of the school and parent/guardians. Rules and regulations are devised by the administration to help the school community function smoothly. Students are expected to follow the rules and regulations. By enrolling at St. Ann School, parents and students have accepted the conditions expressed.

## **The Disciplinary Code**

- Students must be allowed to learn in a safe environment and teachers must be allowed to teach if we are to achieve our goals. Any disruption to this fundamental premise affects everyone. In an effort to maintain a quality school setting it is necessary to teach our students to be responsible. We accomplish this through a discipline program that creates mutual respect.
- Your support in the area of discipline is critical. If a student continues to interfere with the learning environment, you, the parent, will be contacted.

### Enrichment Lab

In keeping with the Mission Statement of our school, we are privileged to have an Enrichment Lab. The staff members in the Enrichment Lab will guide students academically, as well as, behaviorally, in making good choices. To help utilize our goal of the lab, which is to help enrich the student's education spiritually, academically, behaviorally, and socially, we have set up the following schedule.

**Academics:** 7:15-7:45am: Students utilize this time to complete missed work.

**Discipline:** Lunch hour: 11:00am - 12:10pm: time for students to work on a behavioral plan.

### General Conduct and Expectations

The following activities ARE NOT permissible anywhere on school or parish property:

- Cursing or obscenity (words, pictures, graffiti, or gestures)
- Fighting
- Killing statements, put-downs, and threatening statements
- Throwing of any objects not meant to be thrown, taking hats, or belongings of others, etc.

### Major Disruptive Behaviors

In wanting to keep our students and staff safe, we have a committee trained in Threat Management. We will do a Threat Assessment on individuals who display questionable behaviors, make threats, or write questionable comments. **A student will be subject to immediate disciplinary action up to and including suspension and expulsion for any of the following reasons:**

1. **Disruption of school:** A student shall not by use of violence, force, coercion, threat, or false alarm cause disruption or obstruction of normal school operations.
2. **Damage of school property:** A student shall not cause or attempt damage to any school property. This will include books, equipment, furniture, vehicles, and buildings. Students/parents are responsible for restitution of all damages.
3. **Assault:** A student shall not act or behave in such a way as could cause physical injury to other students, any school employee or other persons on school property or during school sponsored activities.
4. **Dangerous weapons and instruments:** A student shall not possess, handle, or conceal any dangerous weapon or instrument while on school property or during school sponsored activities. **NOTE:** A weapon is an object that can be used to threaten or injure another person. The school vicinity refers to any of the buildings on the parish compound, as well as, the adjacent grounds (including parking lots, playgrounds, and /or the perimeter of all parish property).
5. **Procedures regarding weapons policy:** (In compliance of The Michigan School Code and the Diocese of Gaylord Weapons Policy 4112):
  - a. Any student discovered to have, or suspected of carrying, possessing,

- concealing, or transferring a weapon on school grounds shall be immediately removed from classes pending further investigation.
- b. A search may be conducted to verify the suspicion. Questions may be asked by the administrator, a member of the administration team, a teacher, the pastor, or any other person acting on behalf of one of these individuals.
  - c. Depending on the nature of the weapon, the *local police department may be notified immediately and the student may be detained.*
  - d. A student found to be in violation of the school's policy is subject to disciplinary action up to and including expulsion.
- 6. **Alcoholic beverages, drugs, and controlled substances:** A student shall not possess, use, deliver, conceal, or be under the influence of the aforementioned items while on school grounds or at any school-sponsored activities.
  - 7. **Repeated violations, gross disrespect, insubordination:** A student shall not repeatedly fail to comply with directions of teachers, substitute teachers, teacher aides, administrator or other authorized school personnel or school volunteer while the student is under the authority of school personnel.
  - 8. **Stealing:** Students shall respect the personal ownership rights of others.
  - 9. **Verbal abuse/profanity:** A student shall not verbally abuse and/or use profanity to harass another student, teacher, administrator, staff member, or other school personnel or volunteer. This includes "Killing Statements" and put-downs of other students.
  - 10. **Smoking/Vaping/Chewing tobacco:** Students shall not possess or smoke cigarettes, cigars, or other tobacco products. Tobacco of any kind is prohibited.
  - 11. **Cheating/Plagiarism:** Students shall not cheat/plagiarize on tests or assignments.
  - 12. **Physical Abuse:** Students shall not engage in inappropriate touching or physical abuse of another student, teacher, administrator, staff member, or other school personnel or volunteer.

### **Suspension (In School)**

The student is removed from daily classes but not from the building. He/she is expected to complete daily assigned work in silence by him/herself. Parents will be informed by the principal of all suspensions.

### **Suspension (Out of School)**

The following is taken from Diocesan Policy 4110:

*Each school, realizing its obligation to the students, must extend a reasonable effort to assist students to adjust to the social and academic requirements of the school environment. Decisions to suspend should follow only after other means of motivation have failed and/or circumstances of crime, scandal, immorality, disruption, or safety necessitate suspension.*

*In reaching such decisions, consideration must always be given to the welfare and Christian development of the individual student and the practical common good of the entire student body.*

*Parents shall be notified of the suspension and requested to attend a joint conference with their child, school Principal, and any appropriate faculty member(s). In no instance shall a student be asked to leave the school during regular school hours and proceed home without prior notification to and consent of the*

*parent(s)/guardian. The decision to require a student to proceed home alone or await the arrival of a parent/guardian shall be made jointly by the parent/guardian and the Principal.*

*Immediately following the suspension, notification with details should be given to the Pastor/Pastoral Administrator, who frequently is in a position to be a facilitator and may be able to suggest pastoral remedies. The conference with the parent(s)/guardian and child shall take place within three (3) school days from the suspension, if possible. If the Principal and parent(s)/guardian and child are unable to meet within that time period for any reason, the conference shall be scheduled as quickly as possible. Within that same 3-day period, the Principal may continue investigation of the facts and circumstances leading to the suspension, and shall document the reasons for the suspension. Documentation of the suspension shall be placed in the student's file.*

*The Principal shall have discretion to extend the suspension beyond three (3) school days, with notification to the parent(s)/guardian.*

## **Expulsion**

The following is taken from Diocesan Policies 4114:

*Expulsion is defined as the permanent dismissal of a student from the school. Like suspension, it is enacted as a last resort after all other means of motivation and correction have failed and/or circumstances of crime, scandal, morality, or disruption necessitate this extreme disciplinary action.*

Two general situations may lead to expulsion:

1. When the moral or physical well-being of the student body or staff is endangered;
2. When there is prolonged and open disregard for school authority.

The school principal shall exercise the right of expulsion only after suspension and having had a conference with the student, parents/guardians, and pastor.

*The principal has final discretion on all disciplinary matters. Because it is impossible to foresee all problems that arise, the faculty and administration are empowered to take disciplinary action for any behavior that violates the spirit and philosophy of St. Ann School.*

## **COMMUNICATIONS**

Communications with teachers or students during the school day are made through the school office so that classroom activities are not disturbed. The school office will deliver important messages as soon as possible. Phone calls for students are only allowed in emergency cases.

**The office staff delivers all transportation changes to the classrooms daily at 2:00PM. Please call the school office BEFORE 2:00PM if there is a change in your child(ren)s transportation to avoid any confusion.**

Classroom newsletters will be sent home. School newsletter, menus, and calendars are sent via email when an address is provided. Parish bulletin announcements, telephone calls, emails, and conferences will also be used to enhance communications between families and school.

St. Ann School uses a parent notification system called BrightArrow. Parents will be enrolled to receive text messages. They may contact the School Office to request an additional email, and/or voice message for school notifications, such as, weather delays, cancellations, schedule changes and important reminders.

## **CONFERENCES**

Conferences are held twice a year. The dates and times for conferences are scheduled approximately two weeks prior to conferences.

Other forms of reporting progress to parents are:

- Periodically sending home a pack of completed schoolwork and tests for parents to view and return with parents' signatures. ("Friday Folder")
- Relating classroom activities through teacher letters.
- Informing parents of a student's conduct and academic work by phone.
- Occasionally writing a note that requests a parental written response.
- Requests for extra conferences should be made with each teacher individually.
- Progress reports are sent home four times per year for grades JK through 5.

Often teachers will have parent or staff meetings right after school and need to be available at that time.

## **DONATION REQUESTS**

Periodically families may be requested to donate items to support fundraising such as: pop drop, Family Night theme basket items, Thanksgiving baskets, food pantry, charitable giving, charitable

organizations, and/or disaster relief. These offerings are intended to encourage our students to Christ's call to share with those in need by giving.

### ELECTRONIC EQUIPMENT POSSESSION

The school supplies most electronic equipment necessary in school. Students are not allowed to bring radios, laser pointers, iPods, electronic games, portable TV's, pagers, and the like without prior permission. The property will be confiscated and disciplinary action will be taken. Violations\* of this rule could result in suspension or expulsion.

### EMERGENCY CLOSING

St. Ann will notify you through our notification system "Bright Arrow" if the school is closing. You will receive an email, phone call and/or text.

Also, the local television and radio stations announce school closings due to inclement weather as early as 6:00AM, listen and use this system of notification. St. Ann School will follow the Cadillac Area Public Schools, (CAPS), as to closings and delays, due to inclement weather only, since we use their bussing. Listen to the radio and television during inclement weather for information in case of possible school closing.

If it should happen that we would have to dismiss early, we will make every effort to contact you using the information on your emergency form. Please keep this form up to date.

Due date deadlines will be enforced; no exceptions.**

Younger siblings attending a field trip are **NOT** allowed to ride the bus.

All parents participating in a field trip must have completed and cleared an ICHAT background check. If a parent is signed up to drive, that parent must fill out a driver insurance form and fulfill the insurance amount required by the Diocese of Gaylord.

## **FIRE, TORNADO AND LOCKDOWN DRILLS**

Fire drills (5) are conducted on a regular basis as weather permits. Each room in the school building has fire procedure exits posted. Students are directed to note the fire drill exit and observe silence and order during these fire drills.

Tornado drill (2) procedures are reviewed with the students during the fall and spring months. The students are taught to respond to the drills in a safe and appropriate manner.

Homeland Security (3) procedures will be reviewed and practiced.

Threat Assessment: In wanting to keep our students and staff safe, we have a committee trained in Threat Management. We will do a Threat Assessment on individuals who display questionable behaviors, make threats or write questionable comments.

## **FUNDRAISING**

All school fundraising is budgeted as income for operational expenses. A set amount is budgeted each year which enables us to keep tuition costs down and helps with the purchasing of library books, computers, playground needs, and/or textbooks. All Preschool - 7th grade school parents are expected to support our fundraising efforts.

## **GRADING SCALE**

The grading scale for 5<sup>th</sup> - 7th grade as directed by the diocese is as follows:

A – 93% - 100%

C – 84% - 77%

E – Below 70%

B – 85% - 92%

D – 76% - 70%

A student may qualify for the High Honor Roll with a grade point average of 3.5 or higher, and the Honor Roll with a 3.0 - 3.49 grade point average. Students earning a D or E do not qualify for the Honor Roll.

**NOTE: Excess absence may affect Honor Roll Status**

## **GRIEVANCE PROCEDURE**

If a parent of a student has a dispute with a member of the staff, certain steps must be followed:

1. The grieved person must talk to the concerned party.
2. If that proves unsatisfactory, the grieved party is to talk with the principal.
3. If that proves unsatisfactory, the grieved party is to present the concerns to the pastor,
4. There is a diocesan school superintendent that could be contacted if necessary.

## **GYM SHOES**

Students, for safety's sake, are to wear tennis shoes in gym classes. Please try to obtain tennis shoes that will not leave black marks on the gym floor. For safety reasons, crocs, flip-flops, and Heelys may not be worn for gym class, on the playground, or in the building.

## **HEALTH**

If a child becomes ill in school, parents will be contacted. All contagious diseases, including flu, must be reported to the school secretary by 9:00AM each morning. She, in turn, informs the District Health Department. If a child has been ill and should not go outside for recess, parents are to write a note stating the request and accompanying reason. After two days the child should bring a note from their doctor.

If your child must take medication at school, a parent/guardian must fill out a Permission Form for Medication. The parent/guardian must provide the medication in its original container, put the container in a Ziploc bag and label the bag with the child's name and dosage. All medication **must** be brought in by the parent and picked up by the parent. At the end of the school year a parent must pick up medication. Any medication left after the last day of school will be disposed of properly.

***When your child becomes ill, how long would you normally keep him/her out of school?***

St. Ann Preschool and Before and After School Care has a health care policy that addresses children and staff hand washing, handling children's bodily fluids, cleaning and sanitizing of all equipment, toys, and other surfaces, controlling infection, including universal precautions, and health related resources.

**Head Lice**

Head lice are a continuing problem among elementary age children. We try hard to prevent lice from spreading at our school. All children are checked throughout the school year when they complain of their head itching. Students who have lice need to be treated and have the nits combed out of the hair. Students who have been sent home with head lice must be treated and be lice and nit free before returning to school. The student, upon their return, must be checked immediately by a school staff member before returning to the classroom. It is strongly recommended that parents check their student's hair once each week throughout the elementary years. Following these guidelines will help keep lice out of our school.

**Immunization**

The State of Michigan has established minimum immunization requirements for all students. All students new to the school must have an up-to-date immunization record or a waiver on file in the school office.

The Michigan Department of Education, in cooperation with the Michigan Department of Community Health has stated that the Meningococcal vaccine (MCV4) can protect children and adolescents from this disease.

- This vaccine is usually given to 11-12 year olds (7th graders)
- Because it is a newer vaccine, older adolescents may not have received it. Teens that have not had Meningococcal vaccine should be given a dose.
- Ask your child's health care provider if he/she needs the Meningococcal vaccine

Homework is assigned on a regular basis in order to review and reinforce the work done in school. Achievement cannot be attained without study. Parents should help their child to understand that the study and review of assignments are needed for practice, as well as, the further development of classroom instruction. The amount of home study per night should not be more than:

Grades 1-2	30 minutes
Grades 3-4	30-45 minutes
Grade 5	50-70 minutes average

**Students will be assigned to morning ELAB, 7:15am – 7:45 am if they have three or more missing assignments.**

Daily homework time does not include long-range assignments or projects. ***In most instances, students will need parental guidance with time management skills.*** All children vary in their abilities to perform any task. Parents should provide proper conditions in the home, and, as far as possible, a specific routine or time span in which work for school can be done. Parents are expected to show an interest in their child's homework, and to provide only the kind of help that encourages them to succeed on their own merit.

### **INSURANCE**

Michigan Catholic Conference provides student accident coverage through Student Assurance Services. Information is available upon request from the School Office.

### **LIBRARY**

Each classroom is assigned a weekly library period. Students may check out books to take home, and are reminded of the special care that they should give to the books. If books are overdue there will be a 25¢ fine per book per week. Lost books must be replaced at parent's expense. No new books can be checked out until the books that are due are returned. Progress reports will not be issued if books are missing at the end of school year, or if there are outstanding fines.

### **LOST AND FOUND**

Please label your child's belongings. Misplaced items will be put in Lost and Found wooden bench at school entrance. Lost and found items will periodically be donated to a local charity. Parents will be notified via our newsletter prior to items being taken to a charitable organization.

St. Ann School provides a hot lunch every day for those who wish to take it. The lunch menu will be available online at our website, [www.stanncadillac.org](http://www.stanncadillac.org). St. Ann School uses a pre-pay lunch system. Families may send one check to cover all of their children. Checks should be made payable to St. Ann School. All monies should be placed in an envelope marked "Hot Lunch," with family name on it.

A family whose lunch balance exceeds \$20 will result in their students being served a sandwich only instead of the full entrée until the balance is paid in full.

Lunch credits are carried forward to the next school year. Families not returning will be issued a refund if their credit is \$5 or more.

**Free / Reduced Lunch** applications are available in the rack outside the school office. All information is strictly confidential. Our process is set up in such a way that no students, including the recipient, know who receives free or reduced lunch. Please submit your completed application to the school office.

Lunches served are nutritious and filling; therefore, each student is expected to try everything and not waste food. Children always have a choice of the main entrée or a ham and cheese sub.

St. Ann School will not store sack lunches or drinks in refrigerators. Additionally, sack lunches will not be warmed by staff members.

**Lunches from fast food restaurants may NOT be brought in to the lunchroom.**  
**Pop is NOT allowed in the lunchroom during lunchtime.**

### **MONEY AND VALUABLES**

Students are discouraged from bringing large sums of money and/or valuables to school. If the student elects to bring any personal belongings, (toys, balls, books, electronics, etc.) they are responsible for these items and must understand that “accidents” may occur when sharing these treasures.

### **MOVING**

If your family is planning to move, please let the school and parish know so we can update our records, and/or make the necessary transfer of records arrangements. Please notify the office of any custodial changes, living arrangements/dual households.

### **PARENT ADVISORY COUNCIL / FUNDRAISING COMMITTEE**

The Parent Advisory Council is a consultative body for operating educational programs at St. Ann School, subject to such regulations that proceed for the Diocesan Advisory Board of Catholic Education. The St. Ann Parish pastor, school principal and one or two parents from each grade make up the council. All parents and St. Ann Parish members are invited to attend a Parent Advisory Council meeting at any time.

## **PARENT INVOLVEMENT / COMMITMENT PROGRAM**

St. Ann School is dependent upon its parent volunteers to help provide some of the extracurricular programs for the student, hold school events, and to help with some of the supervisory duties during the school day. Every effort will be made to help you fulfill your commitments; however, assignments will be made for those families failing to sign up in each area.

### **School program/event Parental Commitment/Task (required)**

To insure that these programs continue and to fairly distribute the tasks of running each one, every JK - 7th grade parent needs to sign up by September 16, 2023 for at least **ONE Parent Task**. Preschool parents are welcomed to sign up if they choose. Signup sheets are available at the Open House in the beginning of the school year or in the school office.

Examples of some of these programs are: popping popcorn, helping with the St. Ann Craft Show, Rummage Sale, Book Fair, Ice Cream Social, to name a few.

Parental Commitments may be met by one of two ways:

1. Fulfill your obligation: one task per JK - 7th grade parent
2. Find a replacement for your obligation

**Failure to fulfill your commitment will result in a \$75 fee per commitment.** *This policy is not meant to encourage and/or allow parents to “buy out” of the Parent Commitment that each of you agrees to do upon registering your child(ren) to attend St. Ann School. It is only under extenuating circumstances such as a serious illness/injury or death in the family that you would be exempt.*

### **Lunch/Playground Supervision (required)**

Hot Lunch Supervision (4 times/family) or pay \$10 per day for someone else to work for you.

This commitment may be made in one of two ways:

1. Work from 11:05AM-12:15PM four times a year, per family. Sign up will be at the Open House. You may trade with another worker if a conflict arises. Please notify the office of any changes. NO-SHOWS WILL BE CHARGED \$15.
2. Pay the school office \$40 (\$10 per time) to hire a designated person to work for you. Scheduling and payment will be done through the school office.

## **PARENT - STUDENT - TEACHER COMPACT**

St. Ann School staff knows that with the help of parents and community we can guide each child in achieving his or her greatest potential by providing a diversity of experiences, which integrate excellence in education with the child's individual abilities and unique talents. We share the responsibility for student acquisition of academic, creative, emotional, physical, and social skills necessary for entering society as contributing members. We strive to enhance each child's experience at St. Ann School by continually assessing and evaluating our attainment of these goals.

The teachers agree that students must be given the opportunity to succeed. Therefore, they agree to do the following:

- Have high expectations for their students and themselves
- Maintain open lines of communication with students and parents through the use of the classroom folder, planners, e-mail, newsletters, etc.
- Respect the students, their parents, and the diverse culture of the school
- Demonstrate care and concern for each student

- Seek ways to involve parents in classroom activities
- Use the Responsible Thinking Process
- Make efficient use of academic learning time

We believe that parents and guardians want their children to reach their full academic potential. Parents can help by doing the following:

- See that their children attend school regularly
- Support the school in its use of the Responsible Thinking Process
- Read with their children and let them see you reading
- Establish a time and place for homework and check work in the classroom folder regularly
- Have ongoing communication with the classroom teacher
- Limit and monitor children's TV and movie viewing
- Keep required volunteer commitments (see page 21) for St. Ann School.

It is important for students to work to the best of their ability. They can do this by:

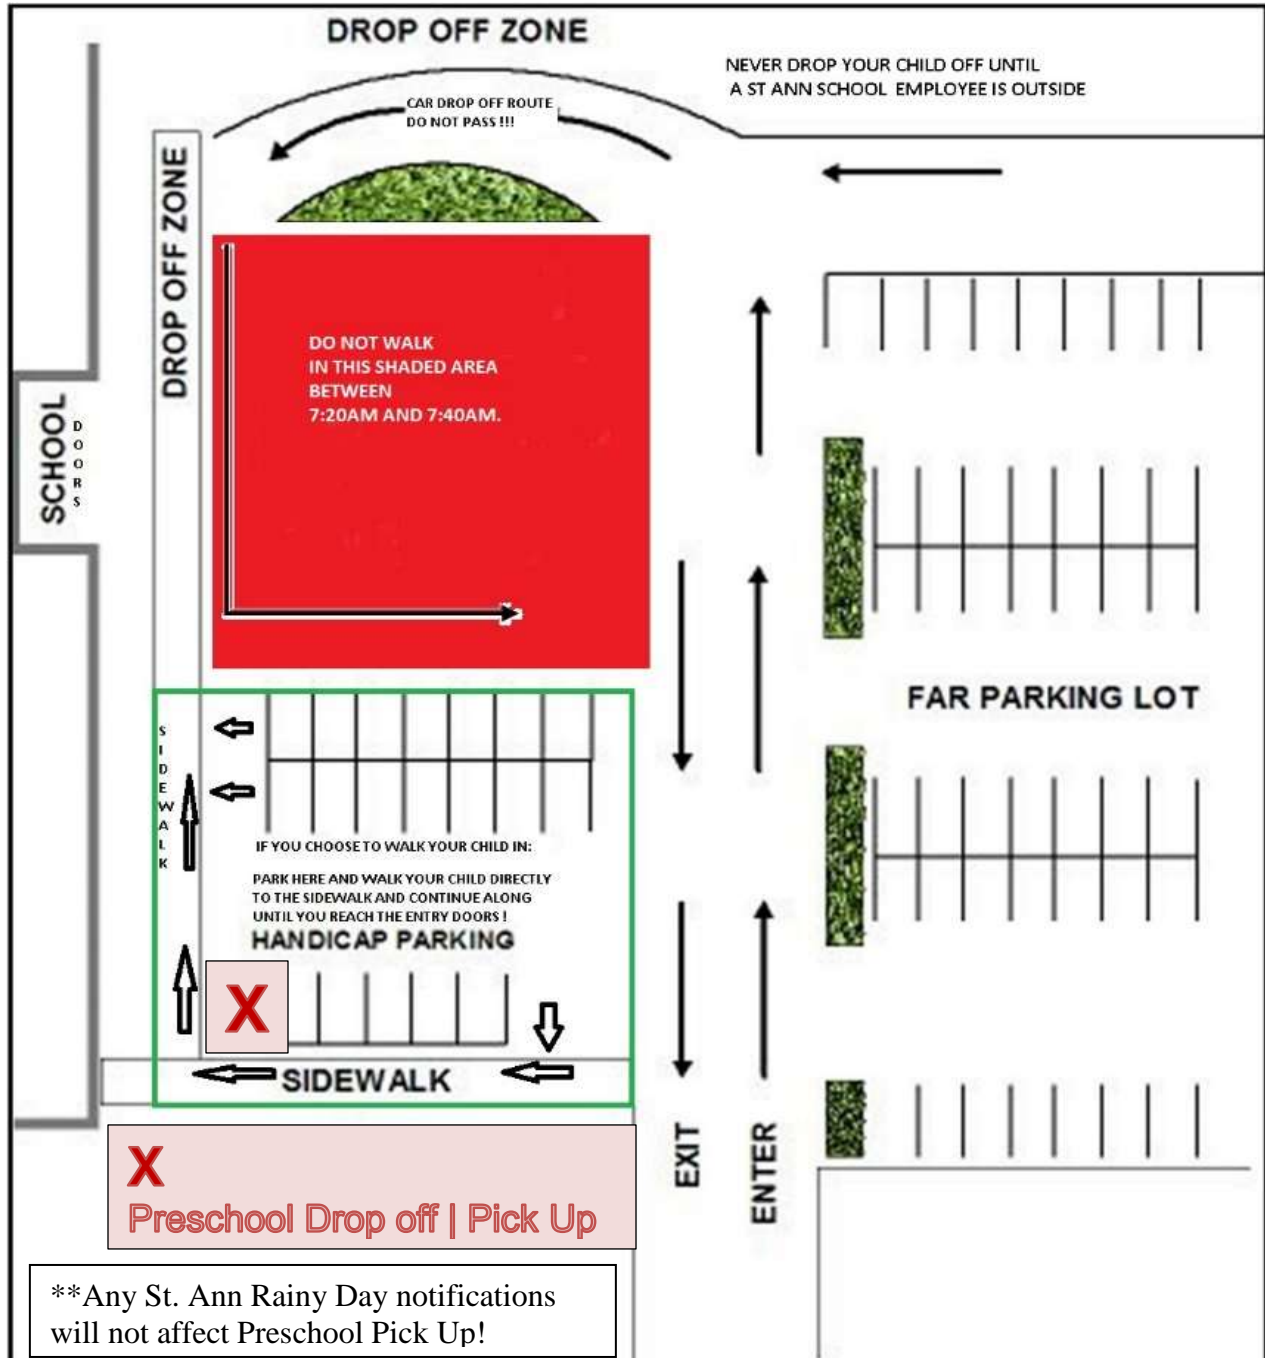

- Coming to school every day on time and ready to learn
- Finish their school work and participate in classroom activities
- Show respect for themselves, the school, and other students
- Understand and follow the Code of Conduct
- Set aside a regular time and place at home to complete homework
- Be responsible for bringing your classroom folder to and from school

### PARKING - MORNING DROP OFF (JK - 7th grade)

1. Please go around the horseshoe in a single lane and stop at the sidewalk in front of the school doors.
2. Have your child **exit the car on the sidewalk side**. Students will proceed directly to the playground (weather permitting).
3. **Do not** pass a car in front of you, but wait until they pull away and follow them out.

#### — IMPORTANT —

PLEASE SHARE THESE PROCEDURES WITH ANYONE  
WHO WILL BE DROPPING YOUR CHILD OFF AT SCHOOL.

## **PESTICIDES**

Pesticides will be used periodically throughout the school. In accordance with State of Michigan law, you are entitled to prior notification of pesticide treatment. Please contact the school office to fill out a Prior Notification Request Form. In certain emergencies, such as an infestation of stinging insects, pesticides may be applied to prevent injury to students. Emergent infestation application notifications will be sent to parents within 48 hours of application via one or more of the following: email, website, BrightArrow, newsletter, and/or flier.

## **PETS / ANIMALS**

Due to allergies, pets/animals are not allowed in the building. Prior arrangements may be made with the teacher to meet in the courtyard.

## **REENROLLMENT / JK – 7th GRADE REGISTRATION**

Reenrollment opens up in early March for current enrolled students. Families just need to reenroll their child, THEY DO NOT NEED TO APPLY AGAIN. Open registration will begin the end of March for new students. New families will apply first to see if there are openings for their child. If there is an opening, families will then enroll their child. There is a non-refundable Registration fee of \$50 per student. Parent commitment sign-ups are conducted during the Open House at the beginning of the school year. Families who have outstanding preschool tuition balances may not register for the next school year until outstanding balances have been paid or they have met with the Principal. Preschool - 7th grade families need to be current with their tuition and fee payments in order to register their child for the next school year.

## **SACRIFICIAL INTENT**

Families who are registered, participating parishioners at St. Ann Parish, who financially support the church and whose children are baptized, are required to fill out a Sacrificial Intent form and schedule a meeting with Fr. Michael where you will turn your pledge in to him. The recommended pledge is \$50 of each \$1000 of annual income. Families who have not turned in a Sacrificial Intent form, or haven't made any payments, will be billed non-parishioner tuition for their student/s to attend St. Ann School. All non-tuition families are required to provide a copy of their child/ren's Baptismal certificate.

## **SACRAMENTAL PROGRAM**

Second grade is the time when we prepare our students for the reception of the Sacrament of Reconciliation. Third grade is the time when we prepare our students for the reception of first Holy Communion and Confirmation. We also work with older students who desire to prepare for the reception of one or more of these sacraments. Please contact the office if you want your child to participate in this program. Parents are required to attend the sacramental parent meetings.

## **SAFETY PROCEDURE**

Prior to entering the school, we request you press the intercom button on the left side of the wall, face the camera, and state your name and purpose of your visit.

## **SAFE ENVIRONMENT PROGRAMS**

St. Ann Parish, School, and the Diocese of Gaylord is committed to providing safe environments to children who attend St. Ann School. Safe Environment Programs are required for all St. Ann Parish and School employees and volunteers. ## DROP OFF PROCEDURES

To eliminate extra people in our building and for the health and safety of our students please follow drop off procedures.

- **Preschool:** Teacher or aide will meet the parent/student at designated preschool drop off area.
- **JK - 7th grade:** Parents will stop at the school's front entrance where the school principal and another staff member will let the students out of their vehicles.

## PICK UP PROCEDURES

- **Bus Rider:** Students will social distance in the hallway from youngest to oldest. A staff member and the school principal will then escort them out to the bus.
- **Car Rider:** Individual classrooms will be released at staggered times and escorted by a teacher or staff member to the designated pick-up area. School staff will instruct parents to follow social distancing guidelines when they are waiting to pick up their child.
- **Preschool: Same as Drop off.** Teacher and/or aide will escort preschoolers out to the southeast door for parents to pick up their child.

## AFTER SCHOOL PICK UP PROCEDURES

- We have two designated after school classrooms. One for the younger students and one for the older students.
- Parents will be given information on how to text the Lead ASC instructor for pick up procedures. For safety reasons, we are asking that parents/grandparents/guardians not enter the school for pickup.
- Once you arrive to pick up your child:
  1. If you were unable to text the Lead ASC instructor, use the buzzer at the front entrance doors.
  2. If you have a child in the younger ASC (PS, JK, KG, 1G) you will be told to wait outside the emergency door with a #1 on the door. This door is located closer to the church, left of the school entry.
  3. If you have a child in the older ASC (2G-6G) you will be told to wait outside the emergency door with a #2 on the door. This door is located by the blue bench, right of the school entry.

## **PRESCHOOL**

### **St. Ann Preschool Mission**

The mission of our preschool program is to enhance each child's spiritual, social, emotional, physical, and mental growth in the context of a caring and loving Catholic educational environment. The early childhood years are formative. A child's values and attitudes take root in the early years – towards self, God, others, all of creation, life, learning, acting responsibly, independently, and interdependently. Our program strives to provide a loving and supportive environment that encourages children to explore, experiment, create, and express themselves as they develop a positive self-image. As Catholic educators we facilitate learning, guide the children when needed, and offer comfort, encouragement, support, advice and knowledge. We have tremendous responsibility to provide the very best spiritual and educational programs. We stress that each child is a special and precious work of God with uniqueness all one's own.

### **Arrival and Dismissal Procedure**

Arrive as close to your scheduled class time as possible. Students will be greeted and brought into the school building by a St. Ann Staff member. See map on page 24 for drop-off spot.

**NEVER** drop off a child unless a teacher or teacher assistant is present to receive and supervise that child. Children will only be released to parents or other adults listed on the child's authorization form.

*Early-drop off students will be escorted into the building by a staff member. Do not leave your child in the room without the presence of the teacher or teacher assistant.*

At dismissal, Preschool students will be brought out to you by the Preschool Lead Teacher or ParaPro at the same spot you dropped off in the morning.

### **Curriculum**

The curriculum is child and play centered which incorporates the learning processes that are essential to the development of the "whole child". We believe each child develops at their own rate and "that if the child needs the skill, asks for it, appears ready for it, give it. If there is any doubt – WAIT. The child who is really ready will attempt it unaided." (One Piece of the Puzzle by Nancy Richard and Barbara Carl)

**Religion:** Foster a love of God and Jesus through stories and prayer.

**Affective:** Develop positive self-awareness and esteem, independence and interdependence, decision-making, self-confidence, and awareness of feelings.

**Cognitive:** Integrate learning across the curriculum with a unique theme-based approach encompassing math, reading, and science through rhyming, ABC books, pre-journaling, sequencing, predicting, patterning, sorting, number exploration, counting, and cause and effect.

### Daily Schedule

Our daily schedule will be flexible in order to respond to the developmental needs, readiness, and interests of the children. A schedule will be given to parents at the beginning of the school year. This may vary on days with scheduled field trips or weather conflicts.

### Discipline

The staff of St. Ann Preschool is experienced in dealing with children of different temperaments and backgrounds. We genuinely love children. However, we also know that this is not enough in meeting the daily needs and problems of preschoolers. We believe a kind, positive, but firm atmosphere with simple rules usually provides a healthy environment in which to grow and develop. Mutual respect is emphasized, and we strive for individual self-discipline and independence as well as interdependence.

If you notice a change in the behavior of your child, or have a concern, please feel free to discuss it with the teacher. Communication is important on all levels of education.

Intervention in problem situations will occur in one of the following ways:

1. Help the child find other ways to handle the problem.
2. Redirect the child to another activity.
3. Have the teacher join the child in a one-on-one activity.
4. Restrain an aggressive act with a big “hug” to prevent the action and to distract the child onto a warm situation.
5. Require the child to sit away from the activity temporarily and in the company of the teacher and think about how he/she can change one’s behavior and become a helpful member of the class.

St. Ann Preschool does not use corporal punishment.

### Dress

Dress your child in comfortable play clothes. He/she will be engaged in very active play and should be comfortable. White-soled tennis shoes are recommended. Remember that preschool can be messy. Dress appropriately for outside play. During the winter months, we will be going outside to play as much as possible. Label all clothing! In the winter, slippers can be kept at school. When the children arrive at school, they can slip their boots off and put on their slippers. This eliminates the problem of forgetting shoes.

### Field Trips

We feel that varied experiences outside of the classroom are advantages to a child's growth and development. On these occasions, we will take a parent volunteer for every 4 or 5 students, plus the teacher and teacher's assistant. Parent volunteers will be used as drivers. Drivers must comply with the Gaylord Diocese guidelines and have a seat belt for every student transported. A driver is required by the State of Michigan to have a background check completed. This can be done through the Child and Family Independence Agency. It must be handed in two weeks prior to the first field trip. A child car seat or booster must be provided for all children. No child may sit in the front seat that is equipped with an air bag. Each child must have a signed permission slip before they are allowed to participate.

### Licensing

The Preschool licensing notebook contains all the licensing inspection and special investigation reports and related corrective action plans since May 28, 2010.

The Preschool licensing notebook is available to parents during regular business hours.

The Preschool licensing inspection and special investigation reports from at least the past two years are available on the childcare licensing website at [www.michigan.gov/michildcare](http://www.michigan.gov/michildcare).

### **THE HUMAN BODY AS A CONSTITUTIVE ASPECT OF THE HUMAN PERSON**

*The Church teaches that our differences as male and female are part of God's good design in creation, that our bodies –including our sexuality – are gifts from God. In fact, "'being man' or 'being woman' is a reality which is good and willed by God" (Catechism of the Catholic Church, 369). A person cannot change his or her sex. A person should accept and seek to live in conformity with his or her sexual identity (sometimes called "gender identity") as given by God. The human person is a body-soul union, and the body-created male or female-is a constitutive aspect of the human person. Having a proper understanding of the human body and more generally, of the moral law - enhances, rather than restricts, man's freedom.*

1. It is the policy of the Diocese of Gaylord that all schools, shall respect the biological sex of the human person as given by God and shall apply all policies and procedures in relation to that person according to that person's God-given biological sex.
2. Employees and volunteers shall conduct themselves in accord with their God-given biological sex.
3. Diocesan schools' partner with families to educate and form student consistent with the teachings of our Lord Jesus Christ and His Church. Students and parents (or legal guardians) shall conduct themselves in accord with their God-given biological sex.

Policy Revised:

Approved by the Most Reverend Walter A. Hurley
