

Spirits Spotlight

Notes from Ms. Bush

11/03/2023

The Halloween Parade was a nice way to send off October. Lots of yummy celebrations in all the classrooms. It really brings back fun childhood memories at Cooley School for me. Mr. Brines and I reminisce a lot about those days.

Our PD was a wonderful time together. Staff participated in Mass, and it was nice to see so many families there. We had technology training prior and teachers are now able to use their computers hooked to their TVs to enhance learning. First Aid was after Mass and thank you to the YMCA for providing instructors.

This weekend we have Mr. Carmel Cemetery Clean up from 8:00 A.M. – 12:00 P.M. on Saturday, Pancake Breakfast on Sunday, November 5th, and at 2:30 P.M. we have the hayride.

Here is the address: **CJ's Stable 7216 W. Walker Road Manton, MI 49663**. If you didn't sign up, there is still time to join in the fun that day.

As we read about Joseph in Genesis this week in Morning Prayer, it gave the students time to reflect on talents God has given them at a young age. Although Joseph was a child, he was respected by the Pharaoh and other adults. They sought him out to see what their dreams meant when they were puzzled by them. I reminded the students how much the staff at St. Ann School learns from them daily and to always share their talents/gifts with others.

Enjoy the wonders of your children this weekend.
